Faxes and postmarks will NOT be accepted.

WELCOME TO OAKLEY

The City of Oakley is situated in eastern Contra Costa County. The City of Oakley incorporated in 1999 to manage growth more effectively, improve community services, and the quality of life.

Cultivating a strong sense of community and civic pride are the cornerstones to the City's success. Building on its rich heritage, City leaders understand the importance of balancing growth and preserving a high quality of life for its citizens. The City's motto, "A Place for Families in the Heart of the Delta" is evidenced everywhere you go – the City boasts highly ranked schools, safe neighborhoods, and has been named by "San Francisco Magazine" as one of the best places to raise a family in the East Bay.

SELECTION PROCESS

Applications will be screened and those applicants possessing the MOST DESIRABLE minimum qualifications will be notified to participate in the interview process. All applicants will be notified via email or telephone whether or not they are invited to participate further in the selection process. The selected candidate must successfully complete a background and reference check. Qualified applicants will be considered without regard to race, color, ancestry, religion, national origin, sex, gender, age, disability, medical condition (as defined by State law), marital status or political affiliation. In accordance with applicable Federal and State laws, the City will attempt to accommodate reasonably qualified individuals with disabilities unless doing so would create an undue hardship on the City. Any qualified applicant with a physical or mental disability who requires an accommodation in the testing and/or selection process should contact the Human Resources Department and request an accommodation at least 3 business days prior to the interview.

THE DEPARTMENT AND POSITION

The City of Oakley is hiring a full-time employee to serve as a Public Works Inspector II. The Public Works Inspector II position, under direction of the Public Works Director/City Engineer, leads, oversees, and participates in the more complex and difficult work of staff. The person in this position is responsible for performing a variety of technical field and office related engineering work associated with construction inspection activities on assigned public works projects.

EDUCATION AND TRAINING

A qualified applicant will possess a combination of education and experience that would provide the required knowledge and abilities for the position.

Education/Training: Equivalent to the completion of the twelfth grade and 2 year associates degree supplemented by specialized training in public works inspection, civil engineering, or a related field.

Experience: Eight years of increasingly responsible construction inspection experience in public works or similar experience in the construction industry.

License/Certificate: American Concrete Institute (ACI), Advanced Construction Inspection, Supervision and Management certifications issued by the American Public Works Association; Possession of a valid "Class C" driver's license and an excellent driving record, are required.

*The City of Oakley is committed to the
3P's of Public Service:
Polite
Professional
Progressive*

REPRESENTATIVE DUTIES

- Oversees consultants and participates in inspecting the construction, repair, and/or alteration work on assigned public works projects.
- Verifies the work of assigned employees for accuracy, proper work methods, techniques, and compliance with applicable standards and specifications.
- Oversees and conducts field sampling and testing of construction materials; analyzes and interprets lab test results and writes test reports.
- Meets and confers with representatives of utility companies, contractors, engineers, and other public agencies regarding construction plans and specifications; investigates and attempts to resolve citizen complaints.
- Answers questions, provides information to, and confers with property owners regarding project schedule, hazards, and inconvenience.
- Oversees and prepares technical reports, letters, and contract change orders of work performed.
- Enforces and documents adherence to various environmental requirements.
- Estimates time, materials, and equipment required for jobs assigned; requisitions materials as required.
- Processes USA tickets and ensures that all City utilities are marked appropriately.

KNOWLEDGE, SKILLS, & ABILITIES

Knowledge of:

- Operations, services, and activities of a public works construction inspection program.
- Advanced methods and techniques used in the inspection of public works construction projects; principles and practices of civil engineering as applied to the planning, construction, and maintenance of public works
- Advanced principles, methods, materials, equipment, safety hazards of construction.
- Laws, regulations, codes, ordinances, and policies governing the construction of public works projects.
- Proficient in working with USA utility center and its applications.

Ability to:

- Interpret, explain, and enforce department policies and procedures.
- Perform inspections on a variety of public works projects.
- Understand and interpret maps, engineering plans and specifications; prepare accurate engineering records.
- Deal firmly and tactfully with contractors, engineers, and property owners.
- Detect and locate faulty materials and workmanship and determine the stage of construction during which defects are most easily found and remedied.
- Proficient in operating office equipment including computers and supporting Microsoft Office word processing, spreadsheets, GIS and database applications.
- Communicate clearly and concisely, both verbally and in writing.
