Approved and Forwarded to City Council:

Bryan H. Montgomery, City Manager

STAFF REPORT

Date:

Tuesday, June 10, 2014

To:

Bryan H. Montgomery, City Manager

From:

Kevin Rohani, Public Works Director/City Engineer

SUBJECT:

Public Hearing to Consider Confirming the Diagrams and Assessments and Ordering the Levy and Collection of the Annual Assessments for Fiscal Year 2014-2015 for the City of Oakley Street

Lighting and Landscape Assessment District No. 1

Background and Analysis

In accordance with the Landscape and Lighting Act of 1972 (Streets and Highways Code Section 22500 et seq.), the City is required to annually prepare an Engineer's Report that proposes a budget for the City of Oakley Street Lighting and Landscape Assessment District No. 1 as well as assessments for all properties within the district. The City Engineer has filed the Fiscal Year 2014-2015 Annual Report with the City Clerk, and the report contains a full and detailed description of the improvements, the boundaries of the assessment district, and the proposed assessments upon all assessable lots and parcels of land within the assessment district. On May 27, 2014, the City Council approved a resolution declaring the intent to levy and collect assessments for Fiscal Year 2014-2015, and set June 10, 2014 as the date for the Public Hearing for the District. A notice for the public hearing was published in the local newspaper at least ten days in advance of the hearing. If at the conclusion of the Public Hearing, no majority protest has been filed with the City Clerk protesting the assessments, Staff recommends that the City Council adopt the Resolution confirming the diagrams and assessments and ordering the levy and collection of the annual assessments for Fiscal Year 2014-2015 for the City of Oakley Street Lighting and Landscape Assessment District No. 1.

On July 10, 2000, the City Council approved a resolution ordering the formation of the City of Oakley Street Lighting and Landscape Assessment District No. 1 (District) to fund the maintenance and operation of public parks, landscaping, and street lighting. Prior to that, operation and maintenance funds were provided through the Countywide Landscaping and Lighting District (LL-2) and County Service Area L-100 (CSA L-100). In accordance with the Landscape and Lighting Act of 1972, the City is required to annually prepare an Engineer's Report that proposes a budget for the assessment district as well as assessments for all properties within the district.

The District includes three zones, two of which are Citywide. Zone 1, commonly known as the Citywide Parks Zone, provides for the operation and maintenance of community parks, landscaping and recreational facilities. Zone 2, commonly known as the Citywide Street Lighting, provides for the operation and maintenance of street

lights within the public right of ways throughout Oakley. Zone 3 contains 26 subzones and provides for the operation and maintenance of landscaping and neighborhood parks for specific projects or neighborhoods.

The City Engineer, utilizing the services of Francisco & Associates, Inc., has prepared the Engineer's Report for the District for Fiscal Year 2014-2015. The report, which is on file with the City Clerk, proposes a budget and assessments for each of the three zones, and explains the methodology used to determine the proposed assessment.

Zone 1 had the Marsh Creek restoration project come on line during the last fiscal year, and the Main Street medians in the downtown area are being expanded as part of the road improvement project. Even with the addition of the new facilities, the revenues are projected to be slightly in excess of the expenditures. In accordance with the financial policies, 75% of the excess revenues will go towards the capital assessment replacement program and 25% will go towards repayment of the loan from the General Fund.

Zone 2 continues to rely on a contribution from Gas Tax to fund the PG&E utility charges. Assessments are expected to be up slightly from what was budgeted last year, but a Gas Tax contribution of roughly \$120,860 for FY 2014-15 is expected, based on FY 2013-2014 costs. Utility charges continue to increase as new lights are added. However, new LED lights are expected to lower energy costs in the future. As in the past, Staff will apply all of the assessment revenue to the expenditures before utilizing the Gas Tax funds, so they will only be used if necessary.

Of the 26 sub areas in Zone 3, all but one is projected to have revenues roughly equal to or in excess of expenditures (careful review of the individual sub-zone budgets will reveal that some cumulative expenditures are a few hundred dollars more than revenues; in every case the zone has enough fund balance to cover the additional expenditures, and in practicality Staff will be managing actual costs throughout the year to try and not spend more funds than are being generated annually, unless absolutely necessary). Some of the older zones need to be managed aggressively to ensure that adequate funds are available, but that is no different than years past.

Because there are no proposed assessment rate increases in the District for Fiscal Year 2014-15 above the allowed maximum assessment rates (that include an adjustment for inflation) and each new subdivision annexation was completed in accordance with the Landscape and Lighting Act of 1972 (the Act) and Proposition 218, a vote by the property owners is not required. The Act requires that a public hearing be held by the City Council to determine if the proposed assessment should be levied. A notice regarding the hearing was published. The Public Hearing provides an opportunity for the Council to hear testimony regarding the proposed assessments, and at the conclusion of the Public Hearing, the City Clerk must tabulate all written protests that have been filed and not withdrawn. If property

owners owning more than 50% of the assessable land within the proposed district have filed written protests, the Council must abandon the proceedings to levy assessments for Fiscal Year 2014-2015. However, if written protests representing less than 50% of the assessable land within the proposed district have been filed, the Council may proceed with ordering the levying of assessments for Fiscal Year 2014-15.

At the close of the public hearing and prior to adopting the Resolution, the Mayor should request information from the City Clerk as to whether any written protests have been filed and what level of assessable land the protests represent in order to determine whether a majority protest exists.

Fiscal Impact

For Fiscal Year 2014-2015 it is estimated that the City of Oakley Street Lighting and Landscape Assessment District No. 1 will provide the following revenue:

Zone 1 (Citywide Parks) -	\$1,068,145
Zone 2 (Citywide Street Lighting) -	\$207,260
Zone 3 (Project Specific Landscaping) -	\$1,920,021
Total	\$3,195,426

Recommendation

Staff recommends that the City Council adopt the Resolution confirming the diagrams and assessments and ordering the levy and collection of the annual assessments for Fiscal Year 2014-2015 for the City of Oakley Street Lighting and Landscape Assessment District No. 1.

CITY OF OAKLEY

RESOLUTION NO. __-14

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OAKLEY CONFIRMING THE DIAGRAMS AND ASSESSMENTS AND ORDERING THE LEVY AND COLLECTION OF THE ANNUAL ASSESSMENTS FOR FISCAL YEAR 2014-2015 FOR THE CITY OF OAKLEY STREET LIGHTING AND LANDSCAPE ASSESSMENT DISTRICT NO. 1

WHEREAS, on July 10, 2000, the City of Oakley Street Lighting and Landscape Assessment District No. 1 (the "District") was formed by the adoption of Resolution 67-00; and

WHEREAS, subsequent to the July 10, 2000, formation of the District, Subdivisions 6968, 7235, 7358, 7359, 7426, 7467, 7562, 7590, 7630, 7658, 7657, 7662, 7681, 7760, 7797, 8391, 8403, 8504, 8541, 8655, 8678, 8679, 8680, 8725, 8727, 8731, 8737, 8765, 8900, 8955, 8973, 8994, 9183, 9199, and 9274 have been annexed into the District in accordance with the requirements of the Landscape and Lighting Act of 1972 and Proposition 218; and

WHEREAS, on May 27, 2014 the City Council adopted Resolution 44-14 Approving the Preliminary Engineer's Report, Declaring the Intent to Levy and Collect Assessments For Fiscal Year 2014-2015, and Setting the Public Hearing for June 10, 2014 for the City of Oakley Street Lighting and Landscape Assessment District No. 1; and

WHEREAS, the City Clerk had published notice of this hearing as required by law; and

WHEREAS, at the time appointed on June 10, 2014, the City Council did conduct a duly noticed public hearing at which all interested persons were afforded an opportunity to be heard and to register their protest against the proposed assessments, and

WHEREAS, the assessment revenues and operating expenditures estimates in the Engineer's Report represents an update to the amounts estimated in the City's Recommended Budget.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Oakley hereby finds and determines as follows:

 A majority protest has not been filed with the City Clerk protesting the levy and collection of assessments for Fiscal Year 2014-2015 for the City of Oakley Street Lighting and Assessment District No. 1.

- 2. The plans and specifications for the proposed maintenance, operation, and/or servicing as contained in the Final Engineer's Report are hereby approved and confirmed.
- 3. The Engineer's actual itemized and total costs and expenses of said maintenance, operation and/or servicing and of the incidental expenses in connection therewith, contained in said report are approved and confirmed.
- 4. The diagrams indicating the assessment district referred to and described in Resolution No. 44-14 is hereby approved and confirmed.
- 5. The proposed assessments upon the parcels of land with the proposed boundaries of the assessment district in proportion to the estimated benefits to be received from said maintenance, operation and/or servicing, and of the incidental expenses thereof, as contained in the Final Engineer's Report are hereby approved and confirmed.
- 6. The Engineer of Work is directed to submit the Engineer's Report to the County Auditor for the collection and enforcement of the assessments at the same time and in the same manner as county taxes are collected for Fiscal Year 2014-2015.
- 7. The Finance Director is directed to adjust the 2014-2015 City's Budget to reflect the assessment revenues and operating expenditures shown in the Engineer's Report for each Lighting and Landscaping District Fund.

PASSED AND ADOPTED by the City Council of the City of Oakley at a meeting held on the 10th of June, 2014 by the following vote:

SECTION I

INTRODUCTION ENGINEER'S REPORT

CITY OF OAKLEY STREET LIGHTING AND LANDSCAPE ASSESSMENT DISTRICT NO. 1

FISCAL YEAR 2014-15

In 1999 the City of Oakley was incorporated. Certain areas within the City limits of Oakley were previously located within and benefited from the Contra Costa Countywide Landscaping District (LL-2) and the Street Lighting Assessment District (L-100). Through the formation of the Street Lighting and Landscaping Assessment District No. 1 ("District") in Fiscal Year 2000-01, the City of Oakley transferred the responsibility of the park and recreational, street lighting and landscaping improvements from the County to the City.

As required by the 1972 Act, the City sent notices to each property owner informing them of the formation of the District and allowed them the opportunity to attend a Public Meeting and a Public Hearing held June 26, 2000 and July 10, 2000, respectively. At the Public Hearing, written protests representing more than 50% of the parcels being assessed were not received and, accordingly, the City Council was permitted to form the assessment district. City Council subsequently adopted a resolution confirming the levy of assessments. Following the adoption of this resolution, the Assessor's Roll was prepared and filed with the County Auditor's Office to be included on the Fiscal Year 2000-01 tax roll.

Background Information for Zone 1 (Community Parks, Landscaping & Recreation)

The Contra Costa County Board of Supervisors, through the Landscaping and Lighting Act of 1972, approved the formation of the Countywide Landscaping District (LL-2). Improvements that were authorized to be constructed, operated, maintained and serviced included:

Landscaping, irrigation, landscape and recreational lighting, park and recreational facilities, including but not limited to playground equipment, play courts, public restrooms, and associated appurtenant facilities.

Generally the public improvements were constructed by developers as a part of the conditions permitting the developer to construct new housing or commercial/industrial developments. However, the ongoing operation and maintenance of the various improvements were financed through the LL-2. The LL-2 is composed of benefit zones to ensure that the operation and maintenance costs of the landscaping and park and recreational improvements are specifically paid for by those property owners who directly benefit from the improvements.

The Oakley Municipal Advisory Council's Parks Subcommittee recognized the need to develop attractive parks, well-maintained landscaped areas and recreation facilities and wanted to provide a funding source that would satisfy those needs. On September 22, 1987, the Board of Supervisors of Contra Costa County adopted Resolution No. 87-566 for the annexation of the Oakley area to the Countywide Landscaping District, forming Zone 16. When the City of

Oakley incorporated in 1999, Zone 16 of LL-2 became Zone 1 of the Oakley Street Lighting & Landscape Assessment District. The original assessment per single family residence was \$29.80 which was set in FY 1987-88. The assessment rate was subsequently increased to \$31.88 per single-family parcel and has remained at this rate since FY 1995-96. The Zone 1 assessment rate was not intended to be increased until such time that the annual costs to maintain the facilities exceeded the annual revenue generated through the levy of assessments.

In Fiscal Year 2003-04, City Staff analyzed the Zone 1 assessment rate to determine if the revenues would be sufficient to meet the newly adopted goals of the City's Parks & Recreation Master Plan 2020 which stipulates a goal of 6.0 acres of parkland per 1,000 residents. The analysis of the Zone 1 rate concluded that the City would need to charge future (new) development \$211.33 (in FY 2004-05 dollars) per single family home to ensure that a stable revenue source would be available for the newly adopted goal of 6.0 acres of parkland per 1,000 residents. On May 27, 2003, City Staff presented this analysis to Council and Council concurred that the assessment rate for all future (new) development would be \$211.33 per single family home resulting in the creation of Zone 1-A. In future years, commencing with FY 2004-05, the maximum assessment rate for Zone 1-A may be increased annually based upon the change in the Consumer Price Index for the Bay Area.

In FY 2005-06, Contra Costa County created Zone 1-B to provide stable funding source for the Summer Lake Community Park as part of the Summer Lake Development. The City subsequently annexed this territory into the City of Oakley in 2006.

Background Information for Zone 2 (Street Lighting)

The Contra Costa County Board of Supervisors, on October 31, 1978, instructed the Public Works Director to develop an alternate means to supplement the ad-valorem tax revenue to fund street lighting in various County Service Areas. As provided in the County Service Area Law, Government Code, Sections 25210.1 and following, the Board of Supervisors adopted Ordinance No. 79-42 on March 27, 1979 confirming the formation of a Street Lighting Assessment District (L-100) to fund the operation and maintenance of street lights. Improvements that are authorized to be constructed, operated, maintained and serviced include:

Poles, fixtures, bulbs, conduits, wiring equipment including guys, anchors, posts and pedestals, metering devices and associated appurtenant facilities.

The areas of the County street lighting district that were subsequently annexed into the City of Oakley in 2000 are now a part of the City of Oakley Street Lighting and Landscape Assessment District No. 1. This portion of the street lighting assessment is identified as Zone 2 of the Oakley Street Lighting and Landscape Assessment District No. 1.

In Fiscal Year 2005-06, City Staff analyzed the Zone 2 assessment rate to ensure that revenues would be sufficient to meet the rising energy costs. The analysis of Zone 2 concluded that the City would need to charge new development \$42.81 (in FY 2005-06 dollars) per single family home to ensure that a stable revenue source for rising energy costs would be created. The assessment rate for all new development is now \$42.81 per single family home resulting in the creation of Zone 2-A. In future years, commencing with FY 2006-07, the maximum assessment

rate for Zone 2-A may be increased annually based upon the change in the Consumer Price Index for the Bay Area.

Background Information for Zone 3 (Interior Landscaping/Neighborhood Parks)

In addition to Zone 16 of LL-2, many of the subdivisions within LL-2 included public landscaping improvements which had individual Zones for the operation and maintenance of the interior landscaping. When the City of Oakley incorporated in 1999, these existing landscaping Zones were transferred to the Oakley Street Lighting and Landscape Assessment District No. 1 as subzones of Zone 3. The facilities that are operated and maintained within these subzones are described in further detail in Part A of this report. As new properties are developed, they are required to annex into an existing subzone or form a new subzone to operate and maintain the facilities.

Current Information

As Required by the Landscaping and Lighting Act of 1972, this annual Engineer's Report Includes: (1) a description by benefit zone of the improvements to be operated, maintained and serviced by the District, (2) an estimated budget by benefit zone for the District, and (3) a listing of the proposed assessments to be levied upon each assessable lot or parcel within the District.

The Oakley City Council will hold a Public Hearing on June 10, 2014 to provide an opportunity for any interested person to be heard. At the conclusion of the Public Hearing, the City Council may adopt a resolution confirming the levy of assessments as originally proposed or as modified. Following the adoption of this resolution, the Assessor's Roll will be prepared and filed with the Contra Costa County Auditor's Office, to be included on the FY 2014-15 tax roll.

Payment of the assessment for each parcel will be made in the same manner and at the same time as payments are made for property taxes. All funds collected through the assessment must be placed in a special fund and can only be used for the purposes stated within this report.

SECTION II

ENGINEER'S REPORT PREPARED PURSUANT TO THE PROVISIONS OF THE LANDSCAPING AND LIGHTING ACT OF 1972 SECTION 22500 THROUGH 22679 OF THE CALIFORNIA STREETS AND HIGHWAYS CODE

CITY OF OAKLEY STREET LIGHTING AND LANDSCAPE ASSESSMENT DISTRICT NO. 1 FISCAL YEAR 2014-15

Pursuant to Part 2 of Division 15 of the Streets and Highways Code of the State of California, and in accordance with the Resolution of Initiation No. 43-14 and Resolution of Intention, accepting the Preliminary Engineer's Report No. 44-14, both adopted on May 27, 2014, by the Oakley City Council, State of California, in connection with the proceedings for:

CITY OF OAKLEY

STREET LIGHTING AND LANDSCAPE ASSESSMENT DISTRICT NO. 1

Herein after referred to as the "Assessment District", I, Kevin Rohani, P.E., the duly appointed ENGINEER OF WORK, submit herewith the "Report" consisting of five (5) parts as follows:

PART A: PLANS AND SPECIFICATIONS

This part describes the improvements to be maintained within the District. Plans and specifications for the improvements are on file in the Public Works Department.

PART B: ESTIMATE OF COST

This part contains an estimate of the cost of the administration, maintenance, operations and servicing of the improvements in each Benefit Zone as described in Part A (Plans and Specifications). This part includes the proposed expenses for Fiscal Year 2013-14 in addition to the proposed budget for Fiscal Year 2014-15 for each of the Benefit Zones. The detailed budget information is on file in the Public Works Department.

PART C: ASSESSMENT DISTRICT DIAGRAM

This part incorporates by reference a diagram of the Assessment District showing the exterior boundaries of the Assessment District, the boundaries of any zones within the Assessment District and the lines and dimensions of each lot or parcel of land within the Assessment District. This diagram is on file in the Office of the City Clerk of the City of Oakley.

PART D: METHOD OF APPORTIONMENT OF ASSESSMENT

This part contains the method of apportionment of assessments, based upon parcel classification of land within the Assessment District, in proportion to the estimated special benefits to be received.

PART E: PROPERTY LIST & ASSESSMENT ROLL

This part contains a list of the parcels and proposed assessment amount on each benefited lot or parcel of land within the District. The list is keyed to the records of the Contra Costa County Assessor, which are incorporated herein by reference and is filed in the Office of the City Clerk of the City of Oakley.

PART A

PLANS AND SPECIFICATIONS

The assessment district is composed of three (3) benefit zones. Benefit Zone 1 (Community Parks, Landscaping & Recreation Facilities) consists of all of the parcels that benefit from the construction, operation, maintenance and servicing of community park, landscaping and recreational facilities. Benefit Zone 2 (Street Lighting) consists of all of the parcels that benefit from the construction, operation, maintenance and servicing of street lighting facilities. Benefit Zone 3 (Interior Landscaping/Neighborhood Parks) consists of twenty-six (26) sub-zones and includes all of the parcels that benefit from the construction, operation, maintenance and servicing of landscaping and neighborhood park facilities. The improvements associated with each benefit zone are described below:

Benefit Zone I - Community Parks, Landscaping & Recreation Facilities

The community park, landscaping and recreation facilities consist of, but are not limited to: operation and maintenance of park and recreation facilities, plants, shrubbery, trees, irrigation systems, hardscape, sidewalks, trails, lights, playground equipment, play courts, restrooms, and associated appurtenant facilities located within the public right-of-ways, public property and designated easements within the boundaries of the Assessment District. A listing of the current parks maintained is listed below:

- Contribution to Vintage Parkway, O'Hara, Oakley & Gehringer School Parks (these are owned by the Oakley Union Elementary School District)
- Main Street Landscaping
- Empire Avenue Landscaping
- Crockett Park (4.66 acres)
- Main Street Park (.40 acres)
- Laurel Ball Fields Park (13.63 acres)
- Freedom Basin Park (8.5 acres)
- Laurel Road Landscaping
- Civic Center Park (1.0 acres)
- Cypress/Marsh Creek Trailhead
- Neroly Road Landscaping
- O'Hara Avenue Landscaping
- Contribution to Zone 3-17 for Creekside Park (10.0 acres)
- Contribution to Zone 3-18 for Nutmeg Park (2.6 acres)
- Contribution to Zone 3-19 for Nunn-Wilson Family Park (3.0 acres)
- Contribution to Zone 3-22 for Cypress Grove Park (6.0 acres)
- Contribution to Zone 3-23 for Shady Oak Park (5.0 acres)
- Contribution to Zone 3-23 for Rose/Carpenter Park (future)
- Contribution to Zone 3-24 for Teton Road Park (future)
 Contribution to Zone 3-24 for Stonecreek Park (future)
- Contribution to Zone 3-25 for Magnolia Park (5.0 acres)
- Contribution to Zone 3-26 for Summer Lake Park (17 acres)

Benefit Zone 2 - Street Lighting

The lighting facilities consist of, but are not limited to: poles, fixtures, bulbs, conduits, wiring, equipment including guys, anchors, posts and pedestals, metering devices and appurtenant facilities as required to provide lighting located within the public right-of-ways, public property and designated easements within the boundaries of the Assessment District.

Benefit Zone 3 - Interior Landscaping/Neighborhood Parks

The landscaping facilities consist of, but are not limited to: landscaping, planting, shrubbery, trees, irrigation systems, hardscapes, sidewalks, trails, and appurtenant facilities located within public right-of-ways, public property and designated easements within the boundaries of the Assessment District.

The following is a detailed description of each of the twenty-six (26) landscaping sub-zones located within Benefit Zone 3 and is also shown in Appendix "A".

Zone 3-1 (Vintage Parkway)

Landscaping, irrigation and related improvements within public street right-of-ways of Subdivisions 6333, 6821, 6862, 7089, 7193, 7229, 7372, 7585, 7654, and portions of 6452, 6576 and 6577, and along the frontage on Big Break Road north until the end of Tract 6333 and on from Big Break Road to Highway 4. Includes Vintage Parkway, Rutherford Way, Piper Lane, and Walnut Meadows Drive.

Zone 3-2 (Oakley Ranch)

Landscaping, irrigation, and related improvements along the east side of State Highway 4 and the east side of Charles Way.

Zone 3-3 (Empire)

Landscaping, irrigation, and related improvements along the east side of Empire Avenue at the Hemlock Drive intersection.

Zone 3-4 (Oakley Town Center)

Maintain and service landscaping and irrigation system along sidewalk area on Empire Avenue and Highway 4 and median islands on Empire Avenue.

Zone 3-5 (Oak Grove)

Maintain and service landscaping and irrigation facilities system along the southerly side of Laurel Road frontage and along State Highway 4 frontage from Laurel Road south to the north side of Honey Lane.

Improvements to the Oak Grove Homeowner's Association owned Oak Grove Park (0.80 acres) include a play lot, barbecues, and picnic tables located on Parcel B on Subdivision 6922.

Zone 3-6 (Laurel Woods/Luna Estates)

Maintain and service walkway area on Laurel Road. Landscaping and irrigation within the public right-of-way along 120 linear feet of the north side of Laurel Road fronting Tract 7489.

Zone 3-7 (South Forty)

Maintain and service landscaping and irrigation system along the frontage areas of Neroly Road.

Zone 3-8 (Claremont)

Landscaping, maintenance, and operation of Claremont Bay Park (0.25 acres) consisting of playground equipment, benches, tables, turf, and irrigation improvements. Also, landscaping and maintenance responsibilities of a parking bay.

Zone 3-9 (Gateway)

Maintain and service landscaping and irrigation system along frontage and sidewalk areas on Cypress Road and Empire Avenue frontage of the Gateway Subdivision.

Zone 3-10 (Countryside aka Village Green)

Landscaping and irrigation facilities of a parkway strip behind the sidewalk along Cypress Road and Lois Lane.

Zone 3-11 (Country Fair aka Meadow Glen)

Landscaping, irrigation, and miscellaneous facilities within the public right-of-way of Highway 4 (400 feet) and Bernard Road (300 feet) of this development.

Zone 3-12 (California Sunrise)

This project consists of the installation of landscaping and irrigation improvements such as water lines, sprinklers and plants along the north side of Cypress Road fronting Tract 7365 and Waterford Way.

Zone 3-13 (California Visions aka Laurel Heights)

Landscaping, irrigation and miscellaneous facilities within the public right-of-way along 660 linear feet of the south side of Laurel Avenue east of O'Hara Avenue. The landscaping strip varies in width from three feet to eight feet and is located on Laurel Avenue. Includes maintenance of frontage landscaping on Rose Lane.

Zone 3-14 (Claremont Heritage)

Landscaping, irrigation and miscellaneous facilities within the public right-of-way along 275 linear feet of the north side of Main Street (State Route 4). The landscaping strip varies in width from three feet to eight feet. Landscaping and irrigation within the public right-of-way along 565 linear feet of Highway 4 (aka Main Street) fronting Tracts 7775, 7366 and 7367.

Zone 3-15 (Country Fair aka Meadow Glen II)

Landscaping and irrigation within the public right-of-way along 1,265 linear feet of Gum Tree Road adjacent to Tract 7704 and 452 linear feet frontage along Live Oak Avenue.

Maintain and service landscaping and irrigation system along sidewalk areas on Empire Avenue, El Monte Drive, Holly Drive, and Tate Lane. Includes islands and hardscape across from the subdivisions.

Landscaping and irrigation maintenance of landscape facilities and 750 linear feet of frontage and median landscaping along Oakley Road. Landscape improvements along the frontage of Oakley Road total approximately 1,030 linear feet.

Landscaping and irrigation within the public right-of-way along 1,140 linear feet of Empire Avenue and along 550 linear feet of Oakley Road fronting tracts 7385, 7830 through 7833.

Landscaping and irrigation maintenance for Heather Park (0.25 acres) and Holly Creek Park (6.7 acres) is also included.

Development Plan 3022-94 is one parcel (037-390-101) consisting of 50 affordable senior housing units. The landscape improvements consist of maintaining landscape and irrigation facilities along Oakley Road, approximately 403 linear feet. These are currently maintained by a private entity.

Zone 3-16 (Sundance)

Landscaping within public right-of-way along Almondtree Lane, Highway 4 and Cypress Road, fronting Subdivision 7837, totaling 1,200 linear feet and varying in width from five feet to 21 feet.

Zone 3-17 (Laurel Anne)

Landscaping improvements are located within the public right-of-way, fronting Laurel Road and Highway 4, along the frontage of Subdivisions 6935 and 7809 to their point of intersection. Landscape improvements also include the Laurel Road median islands and Parcel B.

Landscape Improvements include frontage along Teton Road located within subdivisions 6963 and 8650.

Landscape improvements total approximately 2,150 linear feet along Laurel Road and Highway 4 and vary in width from ten to fifteen feet. The Laurel Road median improvements are approximately 1,160 linear feet and vary in width from five to sixteen feet.

The maintenance of Harvest Park (0.05 acres) (Parcel "B" of Subdivision 7809); and

The maintenance of Creekside Park (10.0 acres) is also included (a portion of the maintenance is funded by Zone 1).

Zone 3-18 (Country Place)

Landscape improvements are located within the public right-of-way fronting Kay Lane, O'Hara Avenue and Carpenter Road. Landscape improvements total approximately 38,000 square feet along Kay Lane, approximately 17,000 square feet along O'Hara Avenue and approximately 3,000 square feet along Carpenter Road; and

The maintenance of Nutmeg Park (2.6 acres) located within Subdivision 7640 is also included (a portion of the maintenance is funded by Zone 1).

Zone 3-19 (Laurel Crest)

Landscape improvements are located within the public right-of-way fronting Laurel Road, Brown Road, Oxford Drive, Empire Avenue – East, Carpenter Road, Joshua Street (between Carpenter Road and Pinenut Street) and the Laurel Road and Hampton Way medians. Landscape improvements total approximately 74,000 square feet; and

The maintenance of Nunn-Wilson Family Park (3.0 acres) and Basin (Phase 2) and the Trail along Brown Road are also included (a portion of the park maintenance is funded by Zone 1).

Zone 3-20 (Marsh Creek Glenn)

Landscape improvements include the maintenance of Marsh Creek Glenn Park (2.4 acres), consisting of maintenance of the concrete walkway, the play apparatus, the masonry wall and landscape maintenance in and around the Park, in addition to frontage along Salvador Lane.

Zone 3-21 (Quail Glen)

Landscape improvements include the maintenance and operation of landscaping and irrigation, including approximately 5,250 square feet along the Live Oak Avenue frontage of Subdivision 7359 and approximately 2,500 square feet along Neroly Road frontage of Subdivision 7359.

Zone 3-22 (Cypress Grove)

Landscape improvements include the maintenance and operation of landscaping and irrigation, of the following:

- Cypress Road north and south right-of-way, Frank Hengle east and west right-of-way, Picasso Way east and west right-of-way (3.04 acres);
- Trail Landscaping (3.40 acres);
- Detention Pond Buffer (2.26 acres);
- Briarwood Park (old Cypress Grove) (2.0 acres); and
- Cypress Grove Park (6.0 acres) (a portion of the maintenance is funded by Zone 1).

Zone 3-23 (South Oakley)

Landscape improvements include the maintenance and operation of landscaping and irrigation, of the following:

- Shady Oak Drive right-of-way (.43 acres);
- Simoni Ranch Road right-of-way (1.94 acres);
- Main Street right-of-way (0.54 acres);
- Rose Avenue right-of-way (0.16 acres);
- Carpenter Road right-of-way (0.08 acres);
- Grapevine Way right-of-way (0.09 acres);
- Cinnamon Ridge right-of-way (0.33 acres);
- Entry Trail (0.17 acres);
- Brownstone Road right-of-way landscaping (Subdivision 8530 23,810 square feet);
- O'Hara Avenue right-of-way landscaping and median (Subdivision 8530 27,480 square feet);
- Neroly Road right-of-way landscaping and medians (Subdivision 8530 39,840 square feet);
- O'Hara Avenue right-of-way landscaping (Subdivision 8734 15,564 square feet);
- Oakley Road right-of-way landscaping (Subdivision 8823 4,400 square feet);
- Main Street right-of-way landscaping (Subdivision 8916 8,800 square feet);
- Rose Avenue right-of-way landscaping (Subdivision 8981 5,400 square feet);
- Rose Avenue right-of-way landscaping (Subdivision 9183 30,384 square feet);
- Carpenter Road right-of-way (Subdivision 9183 10,260 square feet);
- Live Oak Ranch Park (1.0 acre);
- Simoni Ranch Park (1.0 acre);
- Riata Park (Subdivision 8530 -1.7 acres);
- Heartwood Park (Subdivision 8916 1.5 acres);
- Shady Oak Park (5.0 acres) (a portion of the maintenance is funded by Zone 1); and
- Rose/Carpenter Park (4.4 acres) not maintained yet in Fiscal Year 2014-15 (a portion of the maintenance is funded by Zone 1).

Zone 3-24 (Reserve/Stonecreek)

Landscape improvements include the maintenance and operation of landscaping and irrigation, of the following:

- Teton Road frontage (1.14 acres);
- Sellars Road by Subdivision 8973 (0.77 acres);
- C Street landscaping (0.21 acres);
- F Street landscaping (3,120 square feet);
- Tamarack Road Weed Abatement (5,096 square feet);
- Teton Road Entry Features at Northwest & Southwest;
- C Street Entry Feature (1,000 square feet);
- Marsh Creek Buffer Area (0.19 acres);
- Stonecreek Park (115,362 square feet) not maintained yet in Fiscal Year 2014-15 (a portion of the maintenance is funded by Zone 1); and
- Teton Road Park (2.91 acres) not maintained yet in Fiscal Year 2014-15 (a portion of the maintenance is funded by Zone 1).

Zone 3-25 (Magnolia Park)

Landscape improvements include the maintenance and operation of landscaping and irrigation, of the following:

- Carpenter right-of-way landscaping (24,900 square feet);
- Brown Road right-of-way landscaping (118,800 square feet);
- Neroly Road right-of-way landscaping (159,500 square feet);
- Neroly Road Median landscaping (34,135 square feet);
- Empire Avenue right-of-way landscaping (16,975 square feet);
- Project Entry Streets Median landscaping (1,890 square feet);
- Dynasty Drive right-of-way landscaping (5,280 square feet);
- Dynasty Drive Median landscaping (725 square feet);
- O'Hara Avenue right-of-way landscaping (32,200 square feet);
- Carpenter Trail, Parcel F Subdivision 8731 (158,994 square feet);
- Railroad Trail (Old Neroly Road) (82,125 square feet);
- Neroly Daffodil Entry Feature, Parcel I Subdivision 8731 (13,131 square feet)
- Pedestrian Trail, Parcel J Subdivision 8731 (2,997 square feet);
- Pedestrian Trail, Parcel K Subdivision 8731 (3,608 square feet);
- Novarina Trail Park, Parcel E Subdivision 8731 (2.0 acres);
- Neroly Road, Frontage (Subdivision 9199 17,600 square feet);
- Pedestrial Trail, Parcel A, Subdivision 9274 (9,155 square feet);
- Dynasty Drive right-of-way landscaping (Subdivision 9199 1,800 square feet);
- Pedestrian Trail, Parcel A Subdivision 9199 (3,224 square feet);
- Neroly Road right-of-way (Subdivision 9274 42,900 square feet);
- Brown Road right-of-way (Subdivision 9274 9,900 square feet); and
- Pedestrian Trail, Subdivision 9274 (9,155 square feet);
- Silver Bell Way right-of-way;
- Daffodil Park, Parcel G Subdivision 8731 (1.78 acres); and
- Magnolia Park (5 acres) (a portion of the maintenance is funded by Zone 1).

Zone 3-26 (Summer Lake South)

Landscape improvements include the maintenance and operation of landscaping and irrigation, of the following including:

- Lakewood Park (0.58 acres);
- Manresa Park (0.26 acres);
- Sycamore Park (0.24 acres);
- Lakeside Park (1.64 acres);
- Leeward Park (0.71 acres);
- North Lakeside Park (0.79 acres) not maintained yet in Fiscal Year 2014-15;
- Greenbelt not maintained yet in Fiscal Year 2014-15; and
- Summer Lake Park (17.0 acres) (a portion of the maintenance is funded by Zone 1).

In addition, the following Landscape improvements were included in the landscape and lighting zone, however they are expected to be maintained by the Homeowner's Association:

- Phase 1 Summer Lake Drive ROW Streetscape (Cypress Road south to South Well Pump Station & Phase 2 Limits);
- Phase 2 Summer Lake Drive ROW Streetscape (South Well Pump Station north to Cypress Road);
- Phase 1 Cypress Road ROW Streetscape & Entry (Bethel Island Road to second Summer Lake Drive Intersection); and
- Wetlands Frontage Landscape and Wetland.

PART B

ESTIMATE OF COST

The 1972 Act provides that the total cost of construction, operation, maintenance and servicing of the park and recreational, street lighting and landscaping facilities can be recovered by the District. Incidental expenses including administration of the District, engineering fees, legal fees and all other costs associated with the construction, operation and maintenance and servicing of the District can also be included.

The estimated 2014-15 fiscal year expenditures for the proposed facilities in the City of Oakley have been provided by City Staff and are estimated as follows:

Zone I Community Parks , Landscaping & Recreation Budget	Zone 2 Street Lighting Budget	Zone 3 Neighborhood Landscaping & Parks Budget	Total Budget
50	\$120,860	\$113,000	\$233,860
\$1,068,145	\$207,260	\$1,920,021	\$3,195,426
\$1,068,145	\$328,120	\$2,033,021	\$3,429,286
(\$754,220)	(\$280,030)	(\$1,608,282)	(\$2,642,502
(\$115,000)	(\$39,000)	(5328,557)	(5482,637
(\$869,220)	(\$319,000)	(\$1,936,939)	(\$3,125,159
	Zone 1 Community Parks , Landscaping & Recreation Budget \$0 \$\frac{\$1,068,145}{\$1,068,145}\$	Zone 1 Zone 2	Zone 1 Zone 2 Zone 3 Neighborhood Landscaping & Recreation Budget Street Lighting Budget Parks Budget Parks Budget Street Lighting Street Lighting Street Lighting Parks Budget Parks Budget So \$120,860 \$113,000 \$1,068,145 \$207,260 \$1,920,021 \$1,068,145 \$328,120 \$2,033,021 \$1,068,145 \$328,120 \$2,033,021 \$1,068,145 \$328,000 \$1,608,282 \$1,068,282 \$1,068,000 \$1,000

For a detailed breakdown on annual the operation, maintenance and servicing costs for each zone and sub-zone, refer to Appendix "B". Appendix B also includes a detail of the Asset Lifecycle Replacement Program for each zone and sub-zone, as well. The Asset Lifecycle Replacement Program detail is used as a guide to calculate approximate replacement costs of the assets in each Zone and sub-zone and establishing reserves necessary to ensure asset replacements and funds for remediation projects are available when needed. Reserves are used to pay for the replacement or remediation of items in the detail, but are not limited strictly to those items. The Reserves are eligible to fund the replacement, remediation or improvement of any asset or amenity in the Zone or sub-zone.

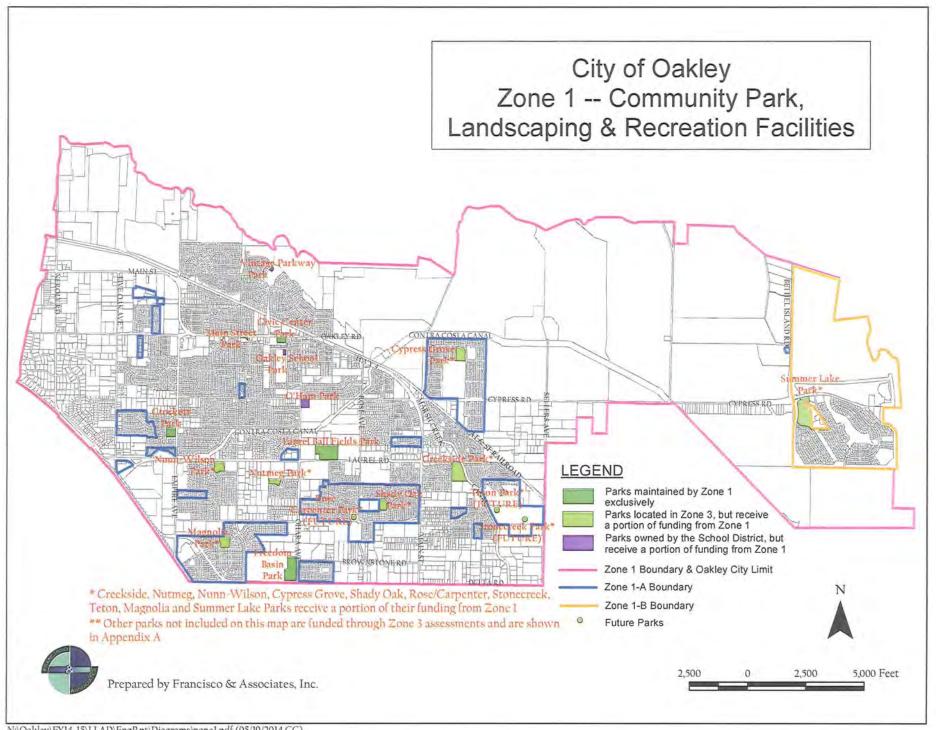

The 1972 Act requires that a special fund be set up for the revenues and expenditures of the District. Funds raised by assessment shall be used only for the purpose as stated herein. A contribution to the District by the City may be made to reduce assessments, as the City Council deems appropriate. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

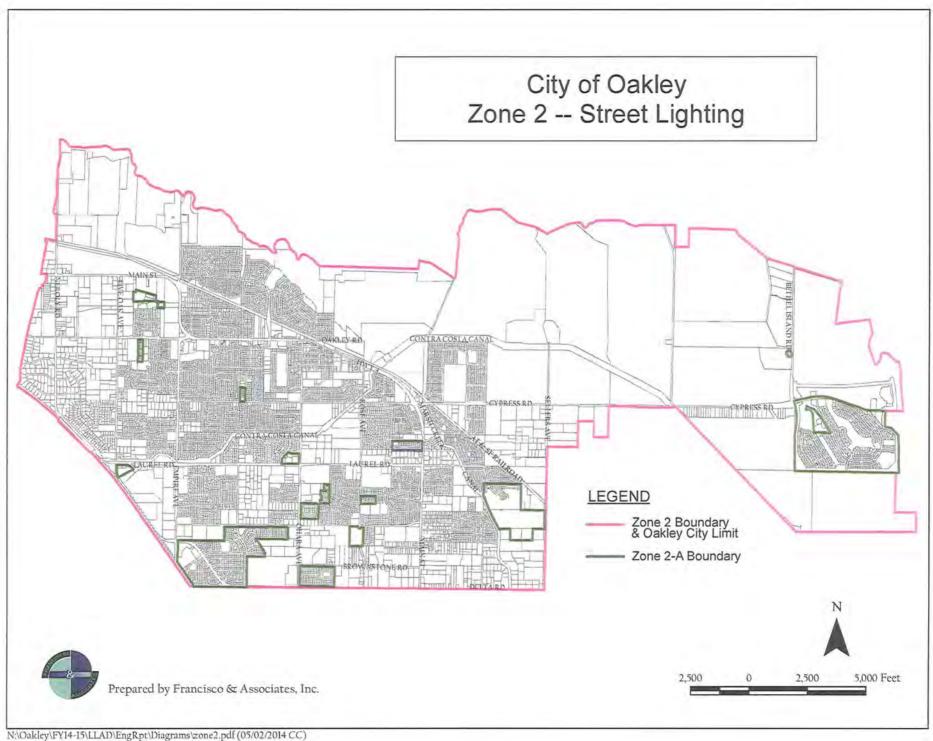

PART C

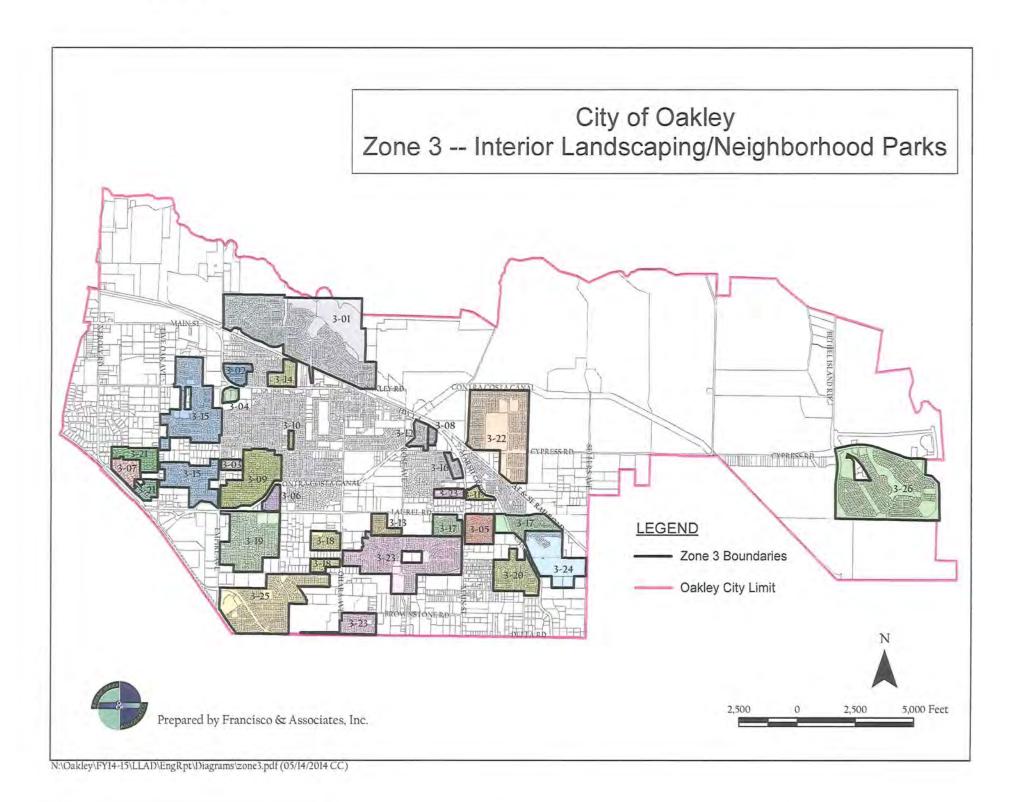

ASSESSMENT DISTRICT DIAGRAM

The boundaries of City of Oakley Street Lighting and Landscape Assessment District No. 1 are completely within the boundaries of the City of Oakley. An Assessment Diagram for the City of Oakley Street Lighting and Landscape Assessment District No. 1, which incorporates each of the zones for FY 2014-15, is on file in the Office of the City Clerk of the City of Oakley and are included on the following pages. A detailed diagram for each of the twenty-six (26) subzones in Zone 3 is referenced in this Report as Appendix "A".

The lines and dimensions of each lot or parcel within the Assessment District are those lines and dimensions shown on the maps of the Contra Costa County Assessor, for the year when this Report was prepared, and are incorporated by reference herein and made part of this Report.

PART D

METHOD OF APPORTIONMENT OF ASSESSMENT

This section explains the benefits to be derived from the improvements and the methodology used to apportion the total assessments to the properties within the District.

The method used for apportioning the assessment is based upon the relative special benefits to be derived by the properties in each Benefit Zone of the District over and above the general benefits conferred on real property of to the public at large. The assessment is apportioned to each parcel in proportion to the relative cost of the special benefits from the improvements.

Discussion of Benefit

Part 2 of Division 15 of the Streets and Highways Code, the Landscaping and Lighting Act of 1972, permits the establishment of assessment districts by Agencies for the purpose of providing certain public improvements, which include the operation, maintenance and servicing of park and recreational, street lighting and landscaping improvements.

Section 22573 of the Landscape and Lighting Act of 1972 requires that maintenance assessments must be levied according to benefit rather than according to assessed value. This Section states:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefit to be received by each such lot or parcel from the improvements."

"The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000)) [of the Streets and Highways Code, State of California]."

In addition, the 1972 Act permits the designation of zones of benefit within any individual assessment district if "by reasons or variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvement" (Sec. 22574). Thus, the 1972 Act requires the levy of a true "assessment" rather than a "special tax."

Article XIIID, Section 4(a) of the California Constitution limits the amount of any assessment to the proportional special benefit conferred on the property.

"No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

In addition, Article XIIID provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and

rights-of-ways, public greenbelts and public parkways, and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities.

Special versus General Benefit

In the absence of an annual assessment, the improvements in each Benefit Zone of the District would not be provided, therefore the improvements are "over and above" what otherwise would be provided in other portions of the City as part of General Services. All of the assessment proceeds derived from each Benefit Zone will be utilized to fund the cost of providing a level of tangible "special benefits" in the form of proximate landscaping and other permanent public improvements. The assessments are also structured to provide specific improvements within each Benefit Zone, further ensuring that the improvements funded by the assessments are of specific and special benefit to property within each Benefit Zone.

Specific Benefit has been quantified as:

- Unique proximity to improved landscaped area;
- Access to improved landscape areas;
- Improved views within each Zone; and
- Extension of a property's outdoor area for properties within close proximity to the improvements.

Although these improvements may be available to the general public at large, the public landscaping and other public improvements in each Benefit Zone of the District were specifically designed, located and created to provide additional and improved public resources for the direct advantage of property inside the Benefit Zone, and not the public at large. The boundaries of the Benefit Zones have been narrowly drawn to include those parcels that receive a direct advantage from the improvements.

Other properties that are outside a Benefit Zone do not enjoy the unique proximity, access, views and other special benefit factors described previously. Moreover, many of the homes and other improvements on parcels in the Benefit Zones would not have been built if the assessments were not established because an assessment for public landscaping was a condition of development approval.

Without the assessments, the public improvements within the Benefit Zones would not be maintained and would turn into brown, unmaintained and unusable public improvements and public lands. If this happened, it would create a significant and material negative impact on the desirability, utility and value of property in the Benefit Zone. The improvements are, therefore, clearly above what otherwise would be provided. In fact, it is reasonable to assume that if assessments were not collected and the improvements were not maintained as a result, properties in the Benefit Zones would decline in desirability, utility and value by significantly more than the amount of the assessments.

It is therefore concluded that all the landscaping improvements funded by the assessments are of 99% special benefit to the identified benefiting properties located within the Benefit Zones and that the value of the special benefits from such improvements to property in the Benefit Zones reasonably exceeds the cost of the assessments for every assessed parcel in the Benefit Zones. (In

other words, as required by Proposition 218: the reasonable cost of the proportional special benefit conferred on each parcel reasonably exceeds the cost of the assessments.)

The City owns, maintains, rehabilitates and replaces curb and gutter along the border of the Benefit Zone improvements. This curb and gutter serves to support, contain, retain, manage irrigation flow and plant growth, and provide a boundary for the improvements. The contribution from the County towards general benefit from the maintenance, rehabilitation and replacement of the curb and gutter is conservatively estimated to be 1%.

BENEFIT ZONES

Because there are varying degrees of improvements throughout the boundaries of the District, three (3) separate and distinct benefit zones have been created. Benefit Zone 1 consists of all of the parcels that benefit from the construction, operation, maintenance and servicing of park and recreational facilities. In addition, Benefit Zone 1 consists of two sub-zones which includes all parcels that benefit from the construction of new park facilities. Benefit Zone 2 consists of all of the parcels that benefit from the construction, operation, maintenance and servicing of street lighting facilities. In addition, Benefit Zone 2 consists of one sub-zone which includes all parcels that benefit from the increased energy costs of street lights. Benefit Zone 3 consists of twenty-six (26) sub-zones and includes all of the parcels that benefit from the construction, operation, maintenance and servicing of landscaping facilities.

ASSESSMENT METHODOLOGY

The total operation, maintenance and servicing cost for the park and recreational, street lighting and landscaping improvements are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for spreading the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor.

Since the assessment is levied on the owners of properties as shown on the tax rolls, the assessments must be assigned by Assessor's Parcel Number. If assessments were to be distributed by parcel, not considering land use, this would not be equitable, because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment. Therefore, as previously stated, the total assessment costs are distributed to each parcel of land based on their pro-rata share of EDUs compared to the total number of EDUs within a benefit zone or benefit sub-zone. For example, if a single family residential parcel is assigned 1.00 EDU and there are a total of 100 EDUs within their benefit zone then the single family residential parcel would be responsible for 1.00% (1.00 EDU/100.00 EDUs) of the annual budget for that benefit zone.

Below is a summary of the assessment methodology used to allocate the costs for the operation, maintenance and servicing costs of the park and recreational, street lighting and landscaping improvements.

BENEFIT ZONE 1

<u>COMMUNITY PARKS, LANDSCAPING AND RECREATION FACILITIES BENEFIT</u> DETERMINATION

The overall quality of life and desirability of an area is enhanced when public park and recreational facilities are in place, improved, operable, safe, clean and maintained. Conversely,

property desirability decreases when park and recreational facilities are unsafe or destroyed by the elements or vandalism.

Property desirability in an area also increases when there is an increase in the number of parks, recreation centers and sports facilities. These park and recreational facilities enable property owners to participate in sporting events, leisure activities, picnics, organized social events and other miscellaneous activities.

Studies in a number of communities, including counties and cities throughout the United States, have indicated that recreation areas and facilities, if well maintained and wisely administered, have caused a marked increase in the property values of parcels in the community. Consequently, such recreation and park facilities have proved to be an important factor in maintaining a sound economic condition and a high standard of livability in the community. These studies confirm the opinion long held by planning authorities as to the economic value of parks and recreational facilities in a community.

"The recreation value is realized as a rise in the value of land and other property in or near the recreation area, and is of both private interest to the landowner and others, holding an economic stake in the area, and of public interest to the taxpayers, who have a stake" (National Recreation and Park Association, June 1985)

"Recreation and park amenities are central components in establishing the quality of life in a community [businesses'] main resource is their employees for whom quality of life is an important issue. The availability and attractiveness of local parks and programs influences some companies relocation decisions the presence of a park encourages real estate development around it." (California Parks & Recreation, Winter 1997)

The benefit of parks and other recreational facilities to residential and commercial/industrial properties has been summarized by a number of studies. The United States Department of the Interior, National Park Service, in a publication of June 1984, concluded that:

- "Parks and recreation stimulate business and generate tax revenues."
- "Parks and recreation help conserve land, energy, and resources."
- "An investment in parks and recreation helps reduce pollution and noise, makes communities more livable, and increases property values."
- "Public recreation benefits all employers by providing continuing opportunities to maintain a level of fitness throughout one's working life, and through helping individuals cope with the stress of a fast-paced and demanding life."

Proper maintenance and operation of the parks within the District benefit those properties within the service areas of the parks by providing environmental quality and recreational enhancement. The amount of benefit received will vary with the different land use on the property. There are two categories from which the total benefit of a parcel is derived:

1. Environmental Quality Benefit. The improvement of the quality of air, visual aesthetics and attractiveness of the community as a place to live and work and do business.

2. Recreation Enhancement Benefit. The availability of usable and safe park and recreational facilities.

Recent studies have shown that adequate park and recreation facilities and recreation programs help to reduce crime and vandalism. This results in a savings to property owners by improved property values and promotes the well-being of the community.

<u>COMMUNITY PARKS, LANDSCAPING AND RECREATION FACILITIES BENEFIT ASSESSMENT METHODOLOGY</u>

The single-family residential parcel has been selected as the basic unit for the calculation of assessments and is defined as one (1) Equivalent Dwelling Unit (EDU). Commercial and industrial parcels benefit similarly to residential parcels because of increased property values and the ability to have their workers and patrons use the park and recreational facilities. Commercial and industrial parcels are assessed based on their acreage because larger parcels have the ability to generate larger pedestrian flows. The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel are shown below.

<u>Developed Single Family Residential</u> - The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments. This basic unit shall be called an Equivalent Dwelling Unit (EDU). Parcels designated as developed single family residential uses per the Contra Costa County land use code, or those parcels that have had a building permit pulled prior to July 1 are assessed one (1.00) EDU.

<u>Developed Multiple Residential</u> - The EDUs for land designated as developed multi-family uses which includes condominiums, mobile homes and apartments are assessed a factor of one-half (0.50) EDU per dwelling unit (e.g. a parcel with a 100-unit apartment would be assessed 50 EDUs). Based on data from representative cities in Northern California, the multiple family residential factor of 50% is determined by the statistical proportion of relative trip generation from various types of residential uses, in combination with density per unit.

<u>Developed Commercial/Industrial, Recreational, Institutional, and Other Miscellaneous Uses</u> - Developed commercial and industrial properties include commercial, industrial, recreational, institutional or miscellaneous uses per the Contra Costa County land use codes. The parcels are assessed based upon the acreage of the parcel. In converting developed commercial/industrial properties to EDUs, the factor used was from the Contra Costa County's average single-family lot residential lot size. The parcels will be assessed one (1.00) EDU for the first acre or any portion thereof, one (1.00) EDU/acre for each additional acre up to a maximum of three (3.00) EDUs (3.00 acres). The minimum number of EDUs per parcel will be one (1.00) EDU.

<u>Undeveloped Single Family Residential</u> - Parcels defined as undeveloped single-family residential parcels will be assessed at 50% of the developed single-family rate.

<u>Undeveloped Non-Single Family Residential</u> - Parcels defined as undeveloped non-single family residential will be assessed at a 50% of the developed commercial/industrial rate. These parcels include undeveloped multi-family residential, commercial/industrial, recreational, institutional and other miscellaneous parcels. These parcels will be assessed at 0.50 EDUs per acre or any portion thereof, with a minimum of 0.50 EDU per parcel and a maximum of 1.50

-23-

EDUs per parcel (3.00 acres). Incremental acreage greater than 3.00 acres is considered to be open space area and therefore receives no further assessment.

<u>Exempt</u> - Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways, and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities.

COMMUNITY PARKS, LANDSCAPING AND RECREATION FACILITIES ASSESSMENT RATES BY ZONE

The Fiscal Year 2014-15 Assessment Rates for Zone 1 are shown below. For further detail regarding annual revenues and expenditures in Zone 1, please see Appendix "B" in this Report.

Zone 1 (Community Parks, Landscaping & Recreation Facilities)

9.084.85 EDU's for Fiscal Year 2014-15

Maximum Rate: \$31.88/EDU FY2014-15 Rate: \$31.88/EDU

• Zone 1-A (Community Parks, Landscaping & Recreation Facilities)

Zone 1-A includes parcels added after FY 2004-05 that benefit from the construction, operation, and maintenance of park and recreation facilities that are anticipated to meet the City's Parks & Recreation Master Plan 2020 goal of 6.0 acres of parkland per 1,000 residents. Starting with FY 2004-05, all parcels with new developments are required to annex into Zone 1-A.

Formed: January 12, 2004 (Sub 8655) 2,445.98 EDU's for Fiscal Year 2014-15

Subdivision 8727 (27 units) annexed June 14, 2004

Subdivision 8725 (46 units) annexed Fiscal Year 2004-05, July 12, 2004

Subdivision 7655 (28 units) annexed Fiscal Year 2004-05, July 12, 2004

Subdivision 7590 (60 units) annexed Fiscal Year 2004-05, July 12, 2004

Subdivision 7760 (67 units) annexed Fiscal Year 2004-05, July 12, 2004

Subdivision 7426 (21 units) annexed Fiscal Year 2004-05, July 12, 2004

Subdivision 8765 (25 units) annexed Fiscal Year 2005-06, November 8, 2004

Subdivisions 8678 (100 units), 8679 (201 units) & 8680 (288 units), Fiscal Year 2006-07, November 14, 2005

Subdivisions 7662 (215 units), 7681 (40 units), & 8541 (354 units), Fiscal Year 2006-07, February 13, 2006

Subdivisions 8737 (58 units), 8973 (176 units), 8994 (109 units), Fiscal Year 2006-07; June 12, 2006

Subdivision 8731 (400 units), Fiscal Year 2006-07; November 13, 2006

Subdivision 8734 (26 units) annexed Fiscal Year 2007-08, July 9, 2007

Subdivision 8736 (42 units) annexed Fiscal Year 2007-08, July 9, 2007

Subdivision 8916 (41 units) annexed Fiscal Year 2007-08, July 9, 2007

Subdivision 8530 (110 units) annexed Fiscal Year 2007-08, July 9, 2007

Subdivision 8981 (17 units) annexed Fiscal Year 2007-08, July 9, 2007 Subdivision 8823 (6 units) annexed Fiscal Year 2007-08, July 9, 2007

Subdivision 6623 (6 units) affilexed Fiscal Teal 2007-06, July 9, 2007

Subdivision 8843 (13 units) annexed Fiscal Year 2007-08, July 9, 2007 Subdivision 8985 (11 units) annexed Fiscal Year 2007-08, July 9, 2007

Subdivision 9183 (11 units) annexed Fiscal Year 2012-13, August 9, 2011

oubdivision 9109 (if units) afficaced 1 iscal Teat 2012-19, August 9, 2011

Subdivision 9199 (43 units) annexed Fiscal Year 2012-13, August 9, 2011

Subdivision 9274 (117 units) annexed Fiscal Year 2012-13, August 9, 2011

Laurel Plaza Shopping Center (6.88 acres of Commercial) annexed Fiscal Year 2012-13, August 9, 2011

Immanuel Baptist Church(5.00 EDUs) annexed Fiscal Year 2012-13, August 9, 2011 Corporation for Better Housing (242 MFR and 206 Senior units) annexed Fiscal Year 2012-13, August 9, 2011

Minor Subdivision 09-976 (.99 Acres) annexed Fiscal Year 2012-13, August 9, 2011

The maximum assessment rate of \$211.33 per Equivalent Dwelling Unit for Benefit Zone 1-A was approved in Fiscal Year 2004-05, which may be annually adjusted based upon the previous year's change in the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers. The base CPI was the rate set on April, 2004 by the Bureau of Labor and Statistics which was 198.3. The CPI as of February 2014 is 248.62.

Maximum Rate: \$264.95/EDU FY2014-15 Rate: \$264.95/EDU

• Zone 1-B (Summer Lake Community Park) – Subdivisions 8900, 8955, & 7562

Zone 1-B includes parcels benefiting from the Summer Lake Community Park and was created by Contra Costa County in FY 2005-06 as part of the Summer Lake Development to provide additional funding for the Summer Lake Park

Formed: April 25, 2006 (by Contra Costa County) 492.37 EDU's for Fiscal Year 2014-15

The maximum assessment rate of \$805.71 per Equivalent Dwelling Unit for Benefit Zone 1-B was approved in Fiscal Year 2005-06, which may be annually adjusted based upon the previous year's change in the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers. The base CPI was the rate set on June, 2005 by the Bureau of Labor and Statistics which was 201.2. The CPI as of February 2014 is 248.62. The maximum rate for FY2014-15 is \$995.58/EDU. However, the anticipated FY2014-15 expenditures for the Summer Lake Park are less than the maximum assessment rate would produce in revenue, therefore the actual rate for FY2014-15 will be set at \$264.95/EDU.

Maximum Rate: \$995.58/EDU FY2014-15 Rate: \$264.95/EDU

BENEFIT ZONE 2

STREET LIGHTING BENEFIT DETERMINATION

The proper functioning of street lighting throughout the City of Oakley is imperative for the welfare of the property owners. Street lighting provides protection to pedestrian traffic by illuminating the sidewalk and street crossing areas during nighttime hours. In addition, the proper operation, maintenance, and servicing of a street lighting system benefits properties by providing additional security for the pedestrian traffic and reduces the possibility of vandalism to property during nighttime hours.

STREET LIGHTING BENEFIT ASSESSMENT METHODOLOGY

The degree of benefit for each parcel is determined by the use of each individual parcel, the intensity of illumination provided, the number of pedestrians generated and the enhanced security during hours of darkness. Benefit Zone 2 has been established to identify the parcels that benefit from these street lighting improvements.

<u>Developed Single Family Residential</u> - The single-family residential parcel is considered one unit of benefit (1.00 EDU). All other land uses have been analyzed to determine the benefit they receive from the intensity of illumination provided, the number of pedestrians generated by their property and the enhanced security to their property during hours of darkness compared to that of a single-family residential parcel.

<u>Other Land Uses</u> – All other land uses have been analyzed to determine the intensity of illumination provided, the number of pedestrians generated by their property and the enhanced security to their property during hours of darkness. For a detailed listing of the equivalent dwelling unit factors for each land use refer to Appendix "C".

<u>Exempt</u> - Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways, and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities.

FY 2014-15 - STREET LIGHTING ASSESSMENT RATES BY ZONE

The Fiscal Year 2014-15 Assessment Rates for Zone 2 are shown below. For further detail regarding Zone 2 annual revenues and expenditures, please see Appendix "B" in this Report.

Zone 2 (Oakley Street Lighting Facilities)

9,072.50 EDU's for Fiscal Year 2014-15

Maximum Rate: \$14.94/EDU FY2014-15 Rate: \$14.94/EDU

• Zone 2-A (Oakley Street Lighting Facilities)

Zone 2-A includes parcels that benefit from the construction, operation, and maintenance of increased lighting after FY 2006-07. Starting with FY 2006-07, all parcels with new developments are required to annex into Zone 2-A.

Formed: June 12, 2006 1,364.50 EDU's for Fiscal Year 2014-15

Subdivision 8731 (400 units), Fiscal Year 2006-07; November 13, 2006
Subdivision 7562, 8900, & 8955 (632 EDUs), Fiscal Year 2007-08
Subdivision 8734 (26 units) annexed Fiscal Year 2007-08, July 9, 2007
Subdivision 8736 (42 units) annexed Fiscal Year 2007-08, July 9, 2007
Subdivision 8916 (41 units) annexed Fiscal Year 2007-08, July 9, 2007
Subdivision 8530 (110 units) annexed Fiscal Year 2007-08, July 9, 2007
Subdivision 8981 (17 units) annexed Fiscal Year 2007-08, July 9, 2007
Subdivision 8823 (6 units) annexed Fiscal Year 2007-08, July 9, 2007
Subdivision 8843 (13 units) annexed Fiscal Year 2007-08, July 9, 2007
Subdivision 9183 (11 units) annexed Fiscal Year 2007-08, July 9, 2007
Subdivision 9199 (43 units) annexed Fiscal Year 2012-13, August 9, 2011
Subdivision 9274 (117 units) annexed Fiscal Year 2012-13, August 9, 2011
Subdivision Center (6.88 acres of Commercial) annexed Fiscal Year 2012-13, August 9, 2011

Immanuel Baptist Church(5.00 EDUs) annexed Fiscal Year 2012-13, August 9, 2011 Corporation for Better Housing (242 MFR and 206 Senior units) annexed Fiscal Year 2012-13, August 9, 2011

Minor Subdivision 09-976 (.99 Acres) annexed Fiscal Year 2012-13, August 9, 2011 Summer Lake South Development

The maximum assessment rate of \$42.81 per Equivalent Dwelling Unit for Benefit Zone 2-A was approved in Fiscal Year 2005-06, which may be annually adjusted based upon the previous year's change in the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers. The base CPI was the rate set on April, 2005 by the Bureau of Labor and Statistics which was 202.50. The CPI as of February 2014 is 248.62.

Maximum Rate: \$52.56/EDU FY2014-15 Rate: \$52.56/EDU

BENEFIT ZONE 3

INTERIOR LANDSCAPING/NEIGHBORHOOD PARKS

Trees, landscaping, hardscaping and appurtenant facilities, if well maintained, provide beautification, shade and enhancement of the desirability of the surroundings. In Parkways and Land Values, written by John Nolan and Henry V. Hubbard in 1937, it is stated:

"... there is no lack of opinion, based on general principals and experience and common sense, that parkways do in fact add value to property, even though the amount cannot be determined exactly. Indeed, in most cases where public money has been spent for parkways the assumption has been definitely made that the proposed parkway will show a provable financial profit to the City. It has been believed that the establishment of parkways causes a rise in real estate values throughout the City, or in parts of the City,..."

It should be noted that the definition of "parkways" above may include the roadway as well as the landscaping alongside the roadway.

Proper maintenance and operation of the roadway landscaping provides beautification and enhancement of the desirability of surroundings. The roadway landscaping maintained by each subzone typically includes the entryways into each geographical area and as such provide beautification to the subzone. These improvements provide special and direct benefit to each property located within the subzone.

LANDSCAPING BENEFIT ASSESSMENT METHODOLOGY

The single-family residential parcel has been selected as the basic unit for the calculation of assessments and is defined as one (1) Equivalent Dwelling Unit (EDU). Commercial and industrial parcels benefit similarly to residential parcels because of increased property values and the desirability of their location. Commercial and industrial parcels are assessed based on their acreage because larger parcels have the ability to generate larger pedestrian flows. The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel are shown below.

<u>Developed Single Family Residential</u> - The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments. Parcels designated as developed single family residential uses per the Contra Costa County land use code, or those parcels that have had a building permit pulled prior to July 1 are assessed one (1.00) EDU.

<u>Developed Multiple Residential</u> - The EDUs for land designated as developed multi-family uses which includes condominiums, mobile homes and apartments are assessed a factor of one-half (0.50) EDU per dwelling unit (e.g. a parcel with a 100-unit apartment would be assessed 50 EDUs). Based on data from representative cities in Northern California, the multiple family residential factor of 50% is determined by the statistical proportion of relative trip generation from various types of residential uses, in combination with density per unit.

<u>Developed Commercial/Industrial, Recreational, Institutional, and Other Miscellaneous Uses</u> - Developed commercial and industrial properties include commercial, industrial, recreational, institutional or miscellaneous uses per the Contra Costa County land use codes. The parcels are assessed based upon the acreage of the parcel. In converting developed

commercial/industrial properties to EDUs, the factor used was from the Contra Costa County's average single-family lot residential lot size. The parcels will be assessed one (1.00) EDU for the first acre or any portion thereof, one (1.00) EDU/acre for each additional acre up to a maximum of three (3.00) EDUs (3.00 acres). The minimum number of EDUs per parcel will be one (1.00) EDU.

<u>Undeveloped Single Family Residential</u> - Parcels defined as undeveloped single-family residential parcels will be assessed at 50% of the developed single-family rate.

<u>Undeveloped Non-Single Family Residential</u> - Parcels defined as undeveloped non-single family residential will be assessed at a 50% of the developed commercial/industrial rate. These parcels include undeveloped multi-family residential, commercial/industrial, recreational, institutional and other miscellaneous parcels. These parcels will be assessed at 0.50 EDUs per acre or any portion thereof, with a minimum of 0.50 EDU per parcel and a maximum of 1.50 EDUs per parcel (3.00 acres). Incremental acreage greater than 3.00 acres is considered to be open space area and therefore receives no further assessment.

<u>Exempt</u> - Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways, and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities.

FY 2014-15 - LANDSCAPING ASSESSMENT RATES BY ZONE

The Fiscal Year 2014-15 Assessment Rates for each of the Subzones in Zone 3 are shown below. For further detail regarding the annual revenue and expenditures for each Subzone, please see Appendix "B" in this Report.

• <u>Zone 3-1 (Vintage Parkway)</u> Subdivisions 6333, por. 6452 & 6576 & 6577, 6821, 6862, 7089, 7193, 7229, 7372, 7585, & 7654

Formed: July 16, 1985 1,275.00 EDU's

Maximum Rate: \$57.86/EDU FY2014-15 Rate: \$57.86/EDU

• Zone 3-2 (Oakley Ranch) Subdivision 6634

Formed: April 21, 1987 133.00 EDU's

Maximum Rate: \$198.84/EDU FY2014-15 Rate: \$198.84/EDU

Formed: November 17, 1992 96.00 EDU's

Maximum Rate: \$125.00/EDU FY2014-15 Rate: \$125.00/EDU

• Zone 3-14 (Claremont Heritage) Subdivisions 7775, 7367, and 7366

Formed as Zone 41: November 17, 1992 Tracts 7366, 7367 Annexed: July 26, 1994 114.00 EDU's

The maximum assessment rate was approved at \$177.90 per Equivalent Dwelling Unit. However in FY2014-15 the rate has been reduced to \$160.00 per Equivalent Dwelling Unit.

Maximum Rate: \$160.00/EDU FY2014-15 Rate: \$160.00/EDU

• Zone 3-15 (Country Fair aka Meadow Glen II) Subdivisions 6867, 6980, 6996, 7003, 7090, 7165, 7330, 7368, 7385, 7704, 7707, 7808, 7830, 7831, 7832, 7833, 8725, 7655, 7590, 7760, 7426 8823, 8843, & DR 3022-94

Formed: July 26, 1994 888.00 EDU's

Subdivision 8725 (48 units) annexed Fiscal Year 2004-05, July 12, 2004 Subdivision 7655 (28 units) annexed Fiscal Year 2004-05, July 12, 2004 Subdivision 7590 (60 units) annexed Fiscal Year 2004-05, July 12, 2004 Subdivision 7760 (67 units) annexed Fiscal Year 2004-05, July 12, 2004 Subdivision 7426 (21 units) annexed Fiscal Year 2004-05, July 12, 2004 Subdivision 8823 (6 units) annexed Fiscal Year 2007-08, July 9, 2007 Subdivision 8843 (13 units) annexed Fiscal Year 2007-08, July 9, 2007

There are also 50 additional senior units located within in Zone 3-15, but the improvements are privately maintained. The maximum annual assessment for the 50 senior units is \$8,541.00. The applicant (Ecumenical Association for Housing) requested that the landscaping improvements for this development be maintained privately because of the manner in which the project was designed. By having this area privately landscaped, it will allow more privacy for the senior citizen residents. The estimated maintenance costs for DP3022-94 will therefore not be included in the annual maintenance cost in FY 2014-15.

Maximum Rate: \$138.00/EDU FY2014-15 Rate: \$138.00/EDU

The maximum assessment rate for Benefit Zone 3-25 was approved in FY 2006-07 at \$1,100.55 per Equivalent Dwelling Unit, which may be annually adjusted based upon the previous year's change in the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers. The base CPI is the rate set on June 2006 by the Bureau of Labor and Statistics which was 209.10. The CPI as of February 2014 is 248.62. However in FY2014-15 the rate has been reduced to \$1,000.00/EDU.

Maximum Rate: \$1,308.53/EDU FY2014-15 Rate: \$1,000.00/EDU

• Zone 3-26 (Summer Lake South) Subdivision 8900, 8955, & 7562.

Formed: April 25, 2006 (by Contra Costa County) 488.37 EDU's

The maximum assessment rate for Benefit Zone 3-26 was approved in FY 2005-06 at \$1,353.53 per Equivalent Dwelling Unit, which may be annually adjusted based upon the previous year's change in the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers. The base CPI is the rate set on June 2005 by the Bureau of Labor and Statistics which was 201.20. The CPI as of February 2014 is 248.62. However in FY2014-15 the rate has been reduced to \$300.00 per Equivalent Dwelling Unit.

Maximum Rate: \$1,713.85/EDU FY2014-15 Rate: \$300.00/EDU

PARTE

PROPERTY OWNER LIST & ASSESSMENT ROLL

A list of the names and addresses of the owners of all parcels within this District is shown on the last equalized Property Tax Roll of the Contra Costa County Assessor, which by reference is hereby made a part of this report. This list is keyed to the Assessor's parcel numbers as shown on the Assessment Roll referenced herein and is on file in the Office of the City Clerk of the City of Oakley.

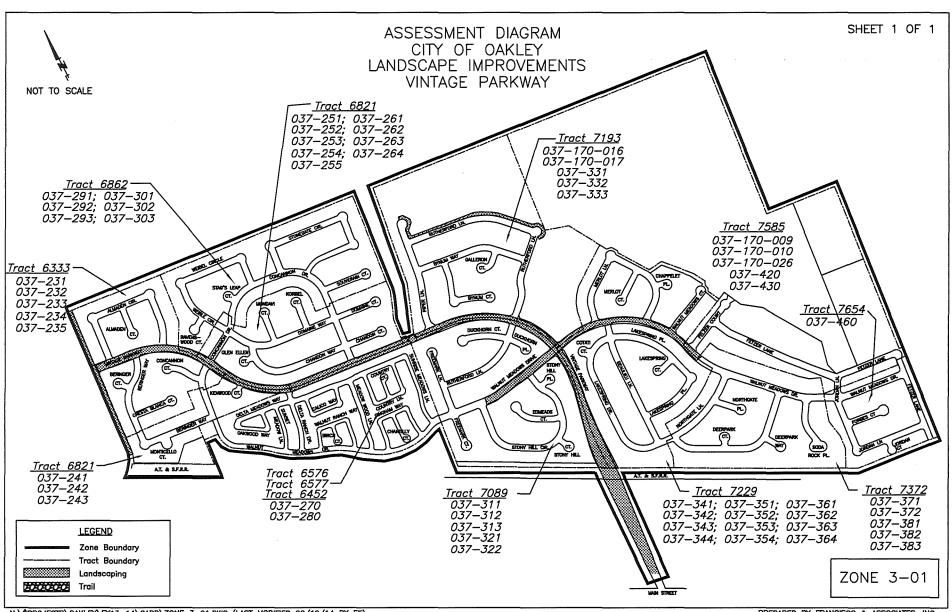

The proposed assessment and the amount of assessment for Fiscal Year 2014-15 apportioned to each lot or parcel, as shown on the latest roll at the Assessor's Office, are contained in the Assessment Roll on file in the Office of the City Clerk of the City of Oakley and are referenced in this Report as Appendix "D".

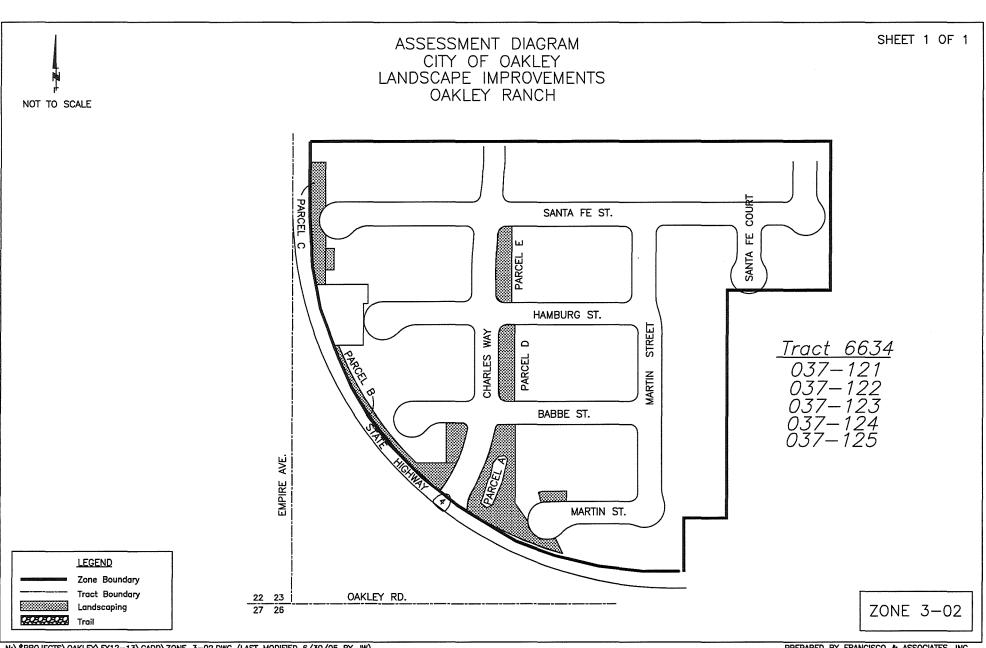

The description of each lot or parcel is part of the records of the Contra Costa County Assessor and these records are, by reference, made part of this Report.

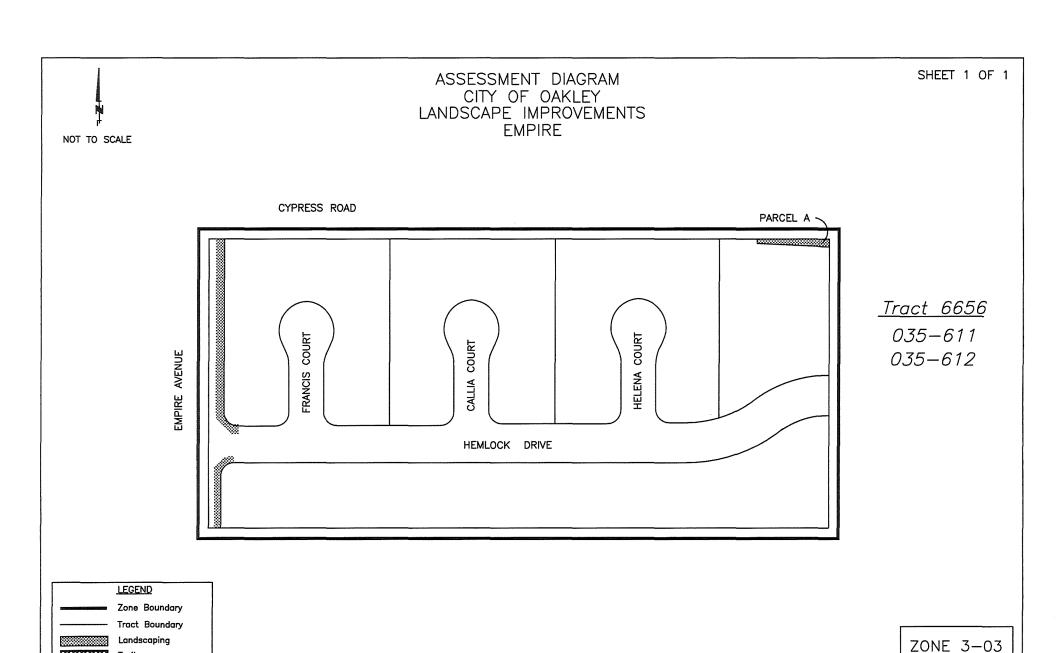

The total proposed assessments for the 2014-15 Fiscal Year are \$1,068,145 for community park, landscaping and recreation facilities, \$207,260 for street lighting facilities and \$1,920,021 for landscaping facilities for a total of \$3,195,426.
