SUBJECT:

City of Oakley as Successor Agency to the Oakley Redevelopment

Agency-Quarterly Investment Report (4th Quarter FY 2014-2015)

### **Background and Analysis**

California law and the City's Investment Policy require the Agency's fiscal officer to submit a quarterly investment report to the Agency's governing board. The report should contain information on all securities held, and include a statement denoting the ability of the local agency to meet its expenditure requirements for the next six months.

#### Fiscal Impact

The Investment Report for the Period Ending June 30, 2015 attached shows balances of \$1,865,044.08 in cash for operations and \$2,000,428.16 in bond reserves held by the Bond Trustee.

The Agency is in compliance with the City's annually adopted investment policy; however, it continues to struggle to meet all of its expenditure requirements. Most notably, funding remains insufficient to pay all of the Agency's prior years' unpaid pass-through obligations and remaining project costs. With increased property tax revenues this year, the Agency's funding is improved, but not yet sufficient to meet all of its needs.

#### **Recommendation**

Staff recommends the City Council, as the Board of the Successor Agency, accept the investment report for the 4th Quarter of Fiscal Year 2014-2015.
