This following information is presented to indicate the size of the project and no warrant is made or intended as to final quantities:

THE BASIS OF AWARD FOR THIS PROJECT IS THE BASE BID. THE CITY RESERVES THE RIGHT TO ADD OR NOT ADD THE BID ALTERNATE TO THE PROJECT AT ITS OWN DISCRETION.

Project Description

The new Oakley Recreation Center is located on a 6.5-acre site. The work to be performed under this contract generally consists of, but is not limited to the following: Mobilization and demobilization; construction signage; SWPPP, erosion control, clearing and grubbing, grading, storm drain improvements, utility improvements, testing, construction of a new approximately 9,500SF recreation center building (including, but not limited to: two enclosed community rooms, an office/ conference area, two multi use restrooms, storage, mechanical and electrical spaces, kitchen and food storage area, and uncovered patios), parking lot, site lighting, landscape (hardscape, walls, fences, site amenities, planting and irrigation), and other work as shown on the Contract Plans, as specified in the Contract Documents, and as directed by the City Engineer.

The work for "ADD ALTERNATE #1" includes improvements associated with the ballfield (grading, drainage, utility, sod field, backstop, bleachers, player bench, bark mulch, plantings and irrigation).

Each bid must be accompanied by a cashier's check, certified check, or Bidder's Bond executed by a responsible corporate surety authorized to issue such bonds in the State of California and secured through an authorized agent with an office in California, payable to the City of Oakley, in an amount not less than ten percent (10%) of the amount of the Base Bid. The successful bidder will be required to furnish a Performance Bond in an amount equal to one-hundred

percent (100%) of the contract price, and a Labor and Material Bond in an amount equal to one-hundred percent (100%) of the contract price. Said bonds shall also be executed by a corporate surety authorized to engage in such business in the State of California and be made payable to the City of Oakley.

If the successful bidder fails, neglects, or refuses for TEN (10) calendar days after the award of the contract to enter into the contract to perform the work, the cashier's check, certified check, or Bidder's Bond accompanying the bid and the amount therein named, shall be declared forfeited to the City and shall be collected by it and paid into its general fund. No bidder may withdraw his/her bid for a period of NINETY (90) calendar days after the date set for the opening thereof, and the same shall be subject to acceptance by the City during this period.

The City Council reserves the right to reject any or all bids, waive any irregularities in any bids and its determination as to which bid is the lowest responsible bid and is for the best interest of the City shall be final. The City Council shall have NINETY (90) calendar days from and after the opening of the bids within which to make its determination.

The Contractor receiving the award of the contract shall begin work within **TEN (10)** Working days after receipt of the Notice to Proceed and shall diligently prosecute the same to completion within the time restrictions as listed in the technical specifications and all work shall be completed by the time allotted in the technical specifications.

The Contractor shall have **THREE HUNDRED (300) Working Days** to complete the **Base Bid** project; and **SIXTY-FIVE (65) working days** to complete the **Add Alternate #1** project. Working days will be counted starting from the date of the Notice-to-Proceed as day one. The amount of the liquidated damages to be paid by the Contractor to the City for failure to complete the work by the Completion Date (as extended, if applicable) is **TWO THOUSAND DOLLARS (\$2,000.00)** for each calendar day any work remains incomplete beyond the time fixed above for completion. Such amount is the actual cash value agreed upon as the loss to City resulting from Contractor's default.

At the time the Contractor's bid proposal is submitted, the Contractor shall possess a valid Class "B" General Building Contractors License or any combination of Class "A" or "B" Contractors License shall be required for the project. The Contractor shall also possess a valid City of Oakley Business License at the time the contract is awarded.

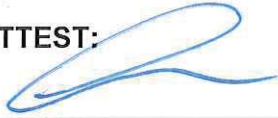

The City of Oakley, hereby notifies all bidders that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, national origin, sex, religion, age or disability. **The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR, Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may results in the termination of this contract, or such other remedy as recipient deems appropriate.**

Prevailing Rate of Wages: The State general prevailing wage rates determined by the Director of Industrial Relations are considered a part of this contract. Pursuant to Section 1773 of the Labor Code, the general prevailing wage rates in the county in which the work is to be done have been determined by the Director of the California Department of Industrial Relations. These wages are set forth in the General Prevailing Wage Rates for this project, available at City of Oakley address and available from the California Department of Industrial Relations' Internet web site at: <http://www.dir.ca.gov>. In payment of labor, the Contractor shall comply with the provisions of Labor Code Sections 1770 to 1781.

For any moneys earned by the Contractor and withheld by the City to ensure the performance of the contract, the Contractor may, at the Contractor's request and expense, substitute securities equivalent to the amount withheld in the form and manner and subject to the conditions provided in Article 8, (commencing with Section 10263), Chapter 1, Part 2, Division 2 of the Public Contract Code of the State of California.

Plans and Contract Documents for bidding this project may be obtained from the **Public Works & Engineering Department located at 3231 Main Street, Oakley, CA 94561**, weekdays, excluding holidays, between the hours of 8:00 a.m. and 6:00 p.m. A Non-refundable fee for full size plans and contract documents are **\$100.00 per set**. Please include Federal Express number with mail-in requests for plans and specifications. If mailing is desired, without a Federal Express number, an additional non-refundable cost of **\$10.00 per set** will be required. For further information, contact the Public Works and Engineering Department at (925) 625-7037.
