Get Ready for National Night Out

On Tuesday, August 7th, Oakley will join over 16,000 communities from all 50 states in celebrating the 35th National Night Out.

National Night Out is an annual community-building campaign that promotes police/community partnerships and neighborhood camaraderie to make Oakley an even more safe, more caring place to live.

National Night Out is a chance for Oakley residents to get to know each other and

Oakley's First Off-Leash Dog Park is Open!

Mayor Randy Pope cut the ribbon on Koda Dog Park and Oakley's four-legged friends have been enjoying it ever since.

Koda Dog Park, Oakley's first off-leash dog park, is now open! Thank you to the many community members who joined us for the ribbon cutting on June 30th.

Be sure to check out the beautiful new facility located next to the existing Nunn-Wilson Family Park at the corner of Laurel Road and Brown Road.

Koda Park features areas for both small and large dogs, agility equipment, turf, drinking fountains, dog waste stations, restroom, parking lot, and a shaded picnic area.

Catch-Up with Debby Sultan, Oakley's Finance Director

Debby Sultan has been Oakley's Finance Director for three years.

With the fiscal year coming to a close, summer is Finance Director Debby Sultan's busy season, but she recently took some time out from finalizing the city's budget to talk about why she loves being a part of Team Oakley.

Before coming to Oakley three years ago, Debby was the Finance Director of the City of Sanger in Fresno County and the City of Santa Cruz for several years.

Speaking about her leap from private sector banking to city finance she says, "I thought, 'This is what I want to do,'" "I'm serving the public, working with the council, and there are interesting new challenges every day."

Debby says that one of the best parts about working with money is helping people who may not be as familiar with figures understand the long-term ramifications of a project.

"I like to help people look ahead, figure

out how to balance priorities, and get people to really understand the numbers," she said.

Of course, the Finance Division's most

visible task is developing the annual budget, which was approved by the City Council in June.

"It's always a busy time of the year," she said.

And all that hard work continues to pay off. This past spring, the Oakley Finance

Entrepreneur Development Program to Expand This Fall

The City of Oakley has over 700 businesses, the vast majority of which have fewer than five employees, and over half of them are home-based. The goal of Oakley's Entrepreneur Development Program is to strengthen and develop Oakley's small business and entrepreneur community. The growth and sustainability of these businesses will lead to future local jobs and a greater variety of local goods and services.

For the fourth year in a row, the City of Oakley has sponsored the Oakley Entrepreneur Training class.

OAKLEY GETS A FARMERS' MARKET!

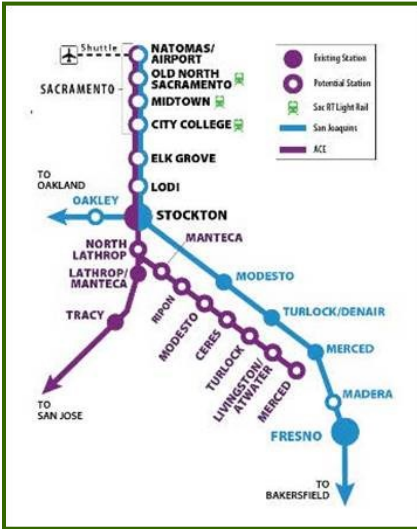

A certified Farmers' Market has arrived in Downtown Oakley. Since June, the market has showcased local farmers and vendors and is operated by All Bay Farmers Market Association.

Oakley's market takes place on Saturdays, from 8 a.m. to noon at the Civic Center parking lot - rain or shine through December 29th. The only exception is September 22nd for the *Heart of Oakley Festival*.

Major Progress Made on Commuter Train Project

The goal of developing a commuter train platform in Downtown Oakley has reached a critical milestone. The California

State Transportation Agency recently announced a series of grant awards under the Transit and Intercity Rail Capital Program, and among the grant awards is the funding to establish a commuter train

station in Downtown Oakley.

The viability of a multi-model train platform in the Downtown was analyzed in the "Downtown Oakley Development Study" funded by a grant received from Contra Costa Transit Authority. This

study provided vital information relevant to the benefits of a potential commuter train station (operated by the San Joaquin Joint Powers Authority and Amtrak) in terms of economic expansion including new retail/commercial uses as well as job creation. The study also included detailed mapping of potential project sites and transit-orientated development (TOD) opportunity areas.

Division under Debby's guidance, received a national award - the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association.

The award is the highest form of recognition in the area of governmental accounting and financial reporting.

In addition to all her work at City Hall, Debby isn't afraid to sweat it out during her

downtime. She recently returned from the AIDS/Lifecycle bike ride down the California coast.

Debby rode 545 miles over seven days from San Francisco to Los Angeles, riding all day and camping out at night, which was demanding even for an experienced cyclist.

"I've been riding for years and I've done rides of 70 miles in a day, but 80 miles a day and then again the next day and the next

is very challenging," said Debby.

She was inspired to join the tour because it is a fundraiser for the San Francisco AIDS Foundation and Los Angeles LGBT Center with the goal of ending AIDS in our lifetime. The cause is very important to Debby because her brother was diagnosed with HIV a decade ago.

"Because of the work that the San Francisco AIDS Foundation has done, he's

still here. When this epidemic started, it was a death sentence," said Debby. "The goal is to end the stigma and find a cure."

The ride also gave Debby a chance to see the state in a whole new light.

"You get to see California like you don't in a car. It's breathtaking," said Debby. "I remember coming into Santa Barbara and you just see the whole coast laid out in front of you. It was just incredible."

A Message From Your Code Enforcement Team

Whether you're a homeowner, tenant or landlord – having pride in the community and pride in your home is the foundation of a great city.

Code Enforcement's goal is to keep Oakley a healthy, safe, and beautiful place to live.

This is accomplished by implementing City Ordinances to promote community standards, safeguard quality of life for our residents, and protect housing investments.

The following is a list identifying the most common code violations requiring correction.

Graffiti: Must be removed within 72 hours of notice.

Inoperable Vehicles: Flat tires, missing parts, or vehicles sitting on jacks. If the Fire Dept. asks you to move it and you can't, it's not operable.

fence or permanent obstruction except for 24 hours before and after pickup.

Basketball Hoops and Ramps: Can be out as long as they are not blocking *the street or sidewalk (for street sweeping and ADA accessibility)*.

MANY TIMES, PROPERTY OWNERS ARE UNAWARE THEY ARE IN VIOLATION

Landscape Maintenance: Weeds and/or bare dirt are unacceptable. Grass must be kept at less than 8 inches tall. Bushes must not encroach into the sidewalk and branches must be trimmed at least 8 feet over the sidewalk.

Vehicle/RV/Boat Parking: Can be parked on the main driveway or behind a side yard fence.

Trash and Debris: Appliances, tires, materials kept out of public view.

Garage Sale Signs: "A-Frame" style signs are a great way to advertise your sale instead of taping to poles.

Trash Cans: Must be stored out of public view behind a

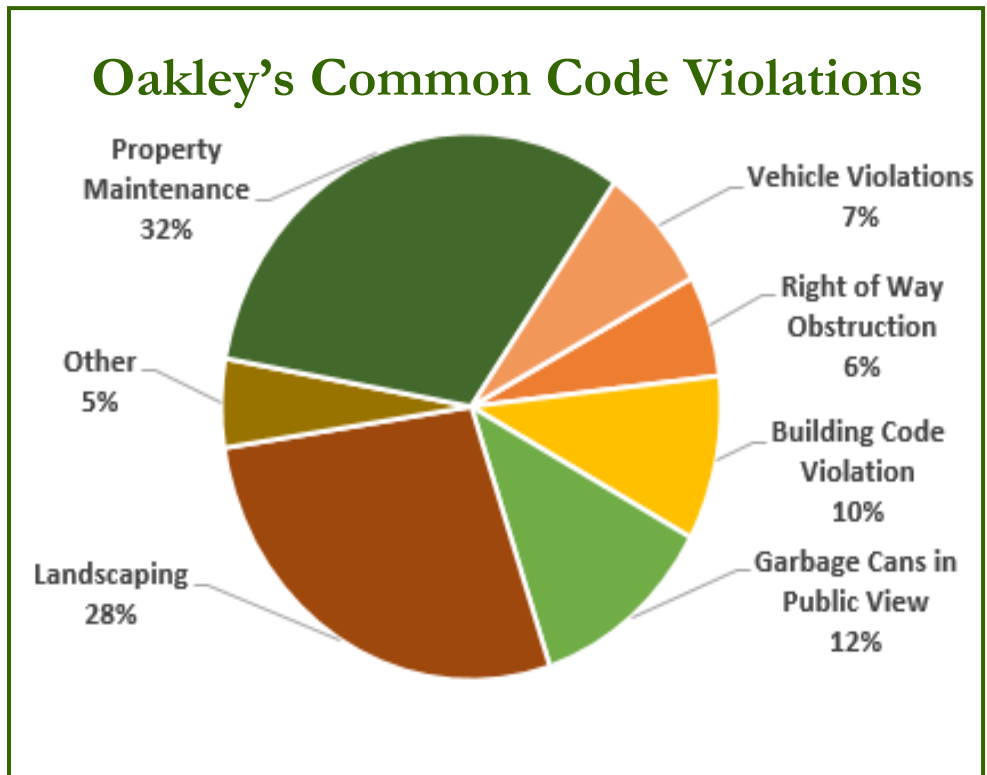

What can you do to help?

Take a look around your property to see if you have any code violations that can be proactively corrected. Many times property owners are unaware they are in violation.

Educating the community about the rules and standards is one of the best ways to prevent violations from occurring.

There are three ways to report a possible code violation. Email codeenforcement@ci.oakley.ca.us, visit our web site and click on "Report a Concern" to file a complaint, or you can call us at (925) 625-7031 to file a complaint.

Please be prepared with specific information such as

the address of the property and details of the situation. All complaints are anonymous!

National Night Out: *Host a Neighborhood Event*

engagement, visits from emergency personnel, and much more.

During National Night Out, residents are encouraged to lock their doors, turn on their outside lights, and spend the evening outside with neighbors.

Whether it's a barbecue, ice cream social, or potluck, National Night Out celebrations are a great opportunity to spend time with your neighbors to promote a stronger, safer environment for you and your family.

The Oakley Police Department would love to stop by and say "hi" at any events you may be hosting and would appreciate notice if there will be an event in your neighborhood.

If you plan on hosting a National Night Out gathering in Oakley, e-mail Marissa Aguilar at aguilar@ci.oakley.ca.us as soon as possible so that the city can include your event on its list of neighborhoods, which allows for a member of the Police Department or other city representative to visit your event as time and circumstance permit.

Please be advised that only on this occasion the City will waive any costs associated with a street closure permit, please provide at least ten business days in ad-

vance of the event.

For more details on securing a street closure permit, please contact Christine Keller at keller@ci.oakley.ca.us.

Entrepreneurs: *Opportunities Abound in Oakley*

(CONTINUED FROM PAGE 2)

Oakley Economic Development sponsors this 11-week program for existing Oakley businesses or Oakley residents serious about starting a new business.

The class is designed to walk students through the creation of a business plan in order to help them gain the tools to successfully establish or grow a business.

The City provides training scholarships of \$1,000 per student for Oakley residents and/or business owners to attend. Past participants have given the following positive reviews from their experience:

- *"The Entrepreneur Program helped me develop a realistic plan, enabling me to actually start a company."* – **Benjamin**
- *"The Entrepreneur Training class was the perfect oppor-*

tunity and the smartest thing we have done for our business." – **Sasha**

- *"This class forces you to look at the bigger picture and evaluate what goes into making your business successful..."* – **Gerry**

In order to continue improving its services, Oakley Economic Development is planning to expand the Entrepreneur Development Program in two key ways.

Plans are currently being made to build the Oakley Entrepreneur Center in the second floor of a two-story commercial building located at 3330 Main Street.

The space is designed to have a large conference room, small conference room, three individual offices, co-working space and a break area. It is anticipated that construction of the Center will be completed by this fall.

The City is also partnering with the cities of Antioch, Brentwood, and Pittsburg as well as the county to form the East County Entrepreneurs Network. This will offer complementary entrepreneur programs and resources so small business entrepreneurs benefit from a wide variety of programs and networking opportunities throughout the entire East County region.

"THE ENTREPRENEUR TRAINING CLASS WAS THE SMARTEST THING WE HAVE DONE FOR OUR BUSINESS."

For more information, please visit the City of Oakley website (www.ci.oakley.ca.us) or contact Dwayne Dalman, Oakley's Economic Development Manager, at (925) 625-7006 or email dalman@ci.oakley.ca.us.

New Rec Center Coming Together Quickly

The Oakley Recreation Center construction project is proceeding on a fast pace and is going vertical!

With the construction of the foundation complete, the contractor is erecting the steel columns and cross beams for the building to be followed with the installation of the roof structure. It is anticipated that this project will be completed in the spring of 2019.

This project will provide the community with nearly 10,000 square feet of new recreational facility for an assortment of activities.

An additional component of this project is the athletic field which will be constructed on the east side of the new building and will accommodate baseball and soccer activities.

The walls are starting to go up in the new Recreation Center . Construction is set to be completed by the spring of next year.

Commuter Train Platform: *Grant Money Received* (CONTINUED FROM PAGE 3)

This effort has resulted in a plan that helped the City receive funding to construct a new JPA station in Oakley. Oakley was identified as one of two new stations along the Amtrak San Joaquin line.

The funding is being provided through a Transit and Intercity Rail Capital Program grant that the California State Transportation Agency awarded the San Joaquin Joint Powers Authority and the San Joaquin Regional Rail Commission.

The grant will provide for a total of \$500, million for the Valley Rail Project to fund a series of new stations including Oakley's and track improvements to increase connectivity and frequency of service to the Sacramento and Bay Area region.

The Valley Rail Project is a joint proposal by the San Joaquin Joint Powers Authority and the San Joaquin Regional Rail Commission to dramatically improve passenger service to the Sacramento region with Amtrak San Joaquin and Altamont Corridor Express service.

The funding is planned to be expended over the next two to three years. The City has been working with the San Joaquin Joint Powers

Authority and will release information about the project as it becomes available.

STREET SWEEPING

The City of Oakley Public Works Department provides bi-weekly sweeping of all public streets. This sweeping service is intended to keep streets clean from debris and to enhance the beauty of the community while adhering to State requirements which mandate municipalities keep debris from storm drain systems which flow to the Bay.

A map which shows the schedule of street sweeping has been mailed to all the residents and is also on the City's website.

It is important that on the street sweeping days, residents not park on the street so the street sweeper operator can navigate the route safely and be able to pick up all the trash from the street. Residents should not place any of their yard landscaping trimmings and vegetation on the street as the street sweeper cannot pick up these items. It is each resident's responsibility to dispose of those materials properly.

You, Me, We = Oakley! Receives Honor

The Oakley community welcoming initiative called "You, Me, We = Oakley!" (YMWO) will be honored again - this time by the International City Management Association (ICMA).

ICMA's Awards Evaluation Panel has selected YMWO as the recipient of the "Community Diversity & Inclusion Program Excellence Award."

The award recognizes communities for building or celebrating diversity and inclusiveness.

YMWO: *Committed to Treating All Residents with Respect*

YMWO is a grant-funded program that aims to create opportunities for Oakley's diverse residents to come together and better understand one another, appreciate each other's stories and recognize their common desire to build a stronger, safer and more vibrant community. There are seven outcomes that YMWO works to accomplish, which can be summarized by increased civic involvement across all demographics and strengthened relationships.

The program commenced in 2011, with unanimous support of partners including the City of Oakley, local school districts, church congregations, and community based organizations. At a minimum, YMWO has received over \$600,000 in private grants.

Recent activities made possible through YMWO include: quarterly citizenship drives, the Heart of Oakley Festival's cultural and entertainment sub-components, dinning dialogues, citizens' leadership academy, translation of City forms/policies, informational workshops such as "Becoming American" or "Dia de los Muertos," implicit bias training and related follow-up trainings that equip City Staff to offer impar-

tial services to all residents.

"Throughout the year we host a variety of activities that we hope will allow the space for dialogues and relationship to take place overcoming language, generational, racial, and ethnic differences. The work is driven by the meaning itself, however, it's great to be recognized as a model of inclusion," said Gabriela Banos-Galvan.

The award acknowledges the work done by the many volunteers and community leaders to ensure that every policy, program, law, and event adhere to some basic welcoming princi-

ples including treating ALL residents with dignity and respect and embracing the diversity that makes for a unified and participatory community.

Want to help contribute to the effort of making Oakley and even more cohesive an accepting community? Please go to the website YouMeWeOakley.org and adhere to the ten welcoming principles such as treating others the way you would like to be treated, striving to understand cultures other than your own, challenging myths, and stereotypes that divide.

Widening Begins On Laurel Road This Fall

The design for the Laurel Road Widening and Improvement Project from Rose Avenue to Main Street is nearing completion.

The project will consist of widening Laurel Road from two lanes to a four-lane divided roadway with new curbs, gutters, sidewalks, bicycle lanes, median islands, and new paving.

The entire corridor will be landscaped and receive new street lighting. In addition, a new traffic signal will be constructed at the intersection of Laurel Road/Rose Avenue to replace the existing four-way stop signs which will help greatly in the flow of traffic at this intersection.

As part of this project, PG&E has to relocate a number of power lines which is currently in the process and upon the completion of this task by PG&E, the construction of the Laurel Road project will get underway by fall 2018.

Reuniones de Vecindario para Combatir el Crimen

Considere participar en National Night Out, cual más o menos se traduce a "Noche Para Estar Afuera Nacional". El martes, 7 de agosto, Oakley se unirá a más de 16,000 comunidades de los 50 estados para celebrar la 35ª Noche Nacional.

National Night Out es una campaña anual que promueve las asociaciones entre la policía y la comunidad y entre vecinos, todo con propósito de preservar Oakley como una comunidad segura.

Esta noche, alentamos a que residentes organicen una "carne asada" o otra reunión entre vecinos, sea abriendo su hogar o en el parque del vecindario. Les pedimos que nos notifiquen y un oficial de policía (que hable español o con traductor), y quizás un concejal pasara un ratito a compartir con ustedes.

National Night Out es una oportunidad de conocer a sus vecinos y formar una asociación con su Departamento de Policía en una circunstancia positiva. Ya con esta relación establecida ustedes podrán mejor ver por su vecindario, cuidarse el uno a otro, y también tendrán mejor idea de cuando llamar a su Departamento de Policía.

Si planea organizar una reunión envíe un correo electrónico a Marissa Aguilar a aguilar@ci.oakley.ca.us tan pronto como sea posible para que la ciudad pueda incluir su evento en su lista de vecindarios para visitar.

Elecciones Municipales Se Acercan

La Ciudad de Oakley llevará a cabo su próxima elección municipal el **6 de noviembre de 2018**. Los votantes seleccionarán a dos miembros para servir en el Consejo por un término de cuatro años.

Para obtener más información y los formularios requeridos para ser candidato/a contacte a Libby Vreonis, Secretaria de la Ciudad al (925) 625-7013 o vreonis@ci.oakley.ca.us. El periodo de nominación se llevara a cabo el 16 de julio hasta el 10 de agosto de 2018. Este periodo se extiende hasta el 15 de agosto si uno de los dos titulares cuyo mandato expira no decide postularse para la elección.

¡No olvide votar!

Usted es elegible para registrarse para votar si:

- es ciudadano de los Estados Unidos Y
- tienen 18 años de edad para el día de la elección Y
- no están en prisión, en libertad condicional, cumpliendo una sentencia de prisión estatal en una cárcel del condado, o cumpliendo una sentencia por un delito grave Y

• no ha sido considerado mentalmente incompetente por un tribunal de justicia

La fecha límite para registrarse para votar es el **22 de octubre**. El último día para solicitar una boleta de votación por correo es el 30 de octubre de 2018. El último día para devolver o enviar una boleta de votación por correo es el **6 de noviembre de 2018**. Si necesita información sobre cómo registrarse para votar o si tiene otras preguntas, comuníquese con la Oficina de Registro del Condado de Contra Costa al 925-335-7800.
