Celebrating 20 Great Years of Cityhood!

Each year on the first Saturday of July, the City of Oakley celebrates our nation's Independence Day as well our anniversary of becoming a city. This year's Cityhood Celebration was extra special as it marked Oakley's 20th Anniversary!

"Since we became a City 20 years ago, Oakley has continued to evolve, while at the same time embracing our rich history," said Mayor Claire Alaura.

Thousands of Oakley residents gathered together on July 6th to celebrate Oakley's 20th Anniversary of becoming a city.

"Oakley is a wonderful, diverse community with a bright future and as we look toward

Join Your Oakley Neighbors for National Night Out

On **Tuesday, August 6th**, Oakley will join over 16,000 communities from all 50 states in celebrating the 36th Annual National Night Out.

National Night Out is an annual community-building campaign that promotes police/community partnerships and neighborhood camaraderie to make Oakley an even safer, more caring place to live.

National Night Out is a chance for Oakley residents to get to know each other and

Meet Oakley's Busy City Clerk, Libby Vreonis

City Clerk Libby Vreonis has been with the City of Oakley for over 10 years.

It's no exaggeration to say that without the work of a City Clerk, nothing could get accomplished at City Hall and Oakley is lucky to have a talented and hard-working City Clerk in Libby Vreonis.

A life-long resident of the East Bay, Vreonis joined Oakley's staff in 2008 and works both as our City Clerk and as Paralegal in our City Attorney's Office. She received her undergraduate degree in his-

tory from U.C. Berkeley, her law degree from John F. Kennedy School of Law, and a master of law degree in taxation from Golden Gate University School of Law.

The City Clerk's Office handles a wide variety of tasks ranging from overseeing our local elections to managing appeals of code enforcement citations.

"We process state-mandated filings, conduct bid openings and

also manage claims," explained Vreonis.

And if you ever wanted to run for a spot on the City Council, the City Clerk would be your point of contact - she assists candidates in meeting their legal responsibilities before, during, and after an election.

The City Clerk's Office is also an important point of access between residents to their municipal government - it ensures access to public rec-

Teens Graduate from Police Mentoring Program

This past spring, 15 young people graduated from a unique mentoring with the Oakley police. The students gained an officer for a role model in this pilot program sponsored by the You, Me, We Oakley Program, Freedom High, and the Oakley Police Department.

Students were able to learn about evidence collection and go on a ride along in addition to participating in a force simulator. Mentees and officers also had other opportunities to chat about their families, their personal plans and interests.

"The mentorship program has been a lot of fun," said Officer Casey Minister, school resource officer. "The program has allowed Freedom students to see how the police department works and gain first-hand experience. The officers have really enjoyed getting to know the students. We were really pleased to have such a great group of students that chose to participate."

ing events and activities in the community that bring people together to build strengthened relationships, which will make Oakley a stronger community.

The program is in part being funded by grant funding from the Y&H Soda Foundation and the San Francisco Foundation.

ords, prepares the City Council meeting agendas, and has the responsibility of recording the decisions of our representative government.

Vreonis records the minutes of City Council meetings and during her tenure as Oakley's City Clerk, the City Council meetings have become more accessible than ever before, as they are now available online to livestream as well as in the video archive on the City's website.

"We are the primary custodians of the public record," said Vreonis. "Kim Carmody is our Records Management Clerk and does a great job. With her innovation and assistance, we are becoming increasingly efficient with electronic records storage and she has been active in maintaining public records available on the City's website."

The City Clerk's office also oversees passport processing. Its passport agents help people

MAKE YOUR VOICE HEARD!

Did you know that your comments can be heard by the Oakley City Council even if you are unable to attend the City Council meetings? You can access the City Council Meeting Comment Form at www.ci.oakley.ca.us under the "City Council" tab. It allows users to submit comments online for City Council agenda items beginning the Friday before each City Council Meeting until 5:00 p.m. the day of each City Council Meeting. In addition, the public can subscribe to receive an electronic agenda in advance of the meeting. To subscribe, complete and submit the "agenda request" form, which is also located on the City's website.

NEW OPTIONS TO VOTE BY MAIL

People interested in signing up for vote-by-mail can now text "CoCoBallot" to 2Vote (28683) and follow the prompts from a link that's sent back. It requires entering the voter's name, date of birth and address. Residents can also send an email to Ballot@vote.cccounty.us, call the elections office at (925) 335-7800 or visit the office at 555 Escobar Street in Martinez.

from Oakley and beyond apply for the necessary documents to travel the world.

"Diana Kerr is our primary Passport Acceptance Agent and she's wonderfully skilled in providing outstanding customer service," said Vreonis. "Offering passports is a fun and valuable service which we enjoy providing to customers at City Hall."

When she's not busy with her duties as City Clerk and Paralegal, Vreonis enjoys spending time with her husband and three young sons. She enjoys travel, playing golf and snowboarding. Vreonis is also leisurely studying viticulture and enology as a fun hobby. She says it's an honor to be both a City of Oakley resident and employee.

"The value I find in my work is serving our community and having the opportunity to provide people with knowledge about the City," said Vreonis. "It's very gratifying when helping others is the purpose of your job."

Residents Trained as Emergency Responders

This spring, the Oakley Police Department trained the city's first class of Community Emergency Response Training (CERT) Program graduates and a second class of citizen emergency responders is currently in session!

The CERT Program provides local volunteers with training on what to do if an emergency was to occur in their neighborhood.

The program provides instruction on basic first aid techniques, how to perform search and rescue after an earthquake, and how to do a variety of other emergency techniques. In the case of an event, like an earthquake, a flood, shelter in place situation, or hazmat contamination, CERT volunteers are trained to protect their city.

Many people ask what they can do to make our community better and CERT is a terrific, free way for Oakley residents to learn how to lend a helping hand.

CERT was created by the Federal Emergency Management Agency (FEMA) using a model created by the Los Angeles City Fire Department and quickly spread nationwide. The use of the CERT concept has helped municipalities across our country and now Oakley has its own, ever-expanding group of skilled volunteers. Having a knowledgeable CERT group of volunteers enables our professional responders to focus on major needs during a disaster while the smaller issues are delegated to the CERT teams.

CERT-trained residents also enjoy many opportunities to volunteer in their communities during non-emergencies like special events.

Our CERT volunteers were sworn in at a recent City Council meeting.

their law enforcement officers in a positive, causal environment that promotes civic pride. Events include safety demonstrations, youth events, visits from emergency personnel, and much more.

During the National Night Out, residents spend the evening out with neighbors.

Whether it's a barbecue, ice cream social or potluck, National Night Out celebrations are a great opportunity to spend time with your fellow Oakley residents and discover ways to promote a stronger, safer environment for you and your family.

The Oakley Police Department would love to stop by any events you may be hosting and would like advance notice if there will be an organized event in your neighborhood.

If you plan on hosting a National Night Out event, e-mail Marissa Aguilar at aguilar@ci.oakley.ca.us as soon as possible so that the city can include your event on its list of neighborhoods, which allows for a member of the Police Department or other city representative to visit your event as time and circumstance permit.

Please be advised that only on this occasion the City will waive any costs associated with a street closure permit, and please provide at least ten business days in advance of the event. For more details on securing a street closure permit contact Christine at keller@ci.oakley.ca.us.

Code Enforcement Keeps Oakley in Great Shape

Code Enforcement's goal is to keep Oakley a healthy, safe, and beautiful place to live. Here are some common violations of City code.

Common Violations

- **Basketball Hoops:** May be out as long as they are not blocking the street or sidewalk.
- **Gutter Ramps:** No person shall leave on a right-of-way any obstruction or impediment. These are commonly used to access widened or secondary driveways.
- **Trees Overhanging Public Areas:** Tree branches shall be trimmed to city specifications. Vegetation may not interfere with the street or sidewalk.
- **Unpermitted Driveways:** All driveways and parking areas shall only be accessible from legally established driveways.
- **Vehicle/RV/Boat Parking:** May be parked on a *legally established* driveway (cement, brick/pavers, asphalt).
- **Inoperable Vehicles:** No flat tires, missing parts, or vehicles sitting on jacks.
- **Landscape Maintenance:** Weeds and/or bare dirt are unacceptable. Grass must be kept less than 8 inches in length. Weeds & dead brush must be removed or cut to ground level.
- **Garbage Containers:** Must be stored out of public view behind a permanent obstruction except for 24 hours before and after pickup.
- **Trash and Debris:** Appliances, tires, household items, boxes, furniture, and junk, must be kept out of public view.
- **Garbage Service is Mandatory:** Call (925) 682-9113.
- **Garage Sale Signs:** "A-Frame" signs are a great way to advertise your sale instead of taping signs to poles.
- **Accessory Buildings and Sheds:** Must be at least 5 feet from fences (reduced to 3 feet if constructed of non-combustible material).
- **Patio Covers, Arbors, Gazebos, Cabanas, Pools, etc.:** All require a permit and have setback requirements.

Can you spot some of the multiple code enforcement violations in this picture?

What Does NOT Constitute a Code Enforcement Violation?

There are some neighborhood issues that either do not fall under our jurisdiction or are not violations. The most common are:

- RV's/boats ARE allowed on a legally established driveway.
- Unregistered vehicles CAN be in public view on private property.
- Neighboring trees overhanging property lines are NOT violations. This would be considered a civil matter between residents.
- Barking dogs should be reported to county animal services at (925) 608-8400.
- Street parking related issues and abandoned vehicles should be reported to Parking Enforcement at (925) 625-8060.

How Do I Report Something?

There are three ways to report a possible code violation: email us at code-enforcement@ci.oakley.ca.us, visit our website and click on "Report a Concern," or you can call us at (925) 625-7031.

You can also use the above resources to report abandoned shopping carts, graffiti, homeless encampments, abandoned homes, substandard rental housing (mold, unsafe electrical, unsafe sanitation, etc.), and trash and debris that have been dumped. All complaints can be anonymous!

Construction on Laurel to Conclude This Summer

Laurel Road construction is underway and both of the Laurel Road widening projects are taking shape.

The contractors working on Laurel Road west of Rose Avenue are constructing two lanes of roadway, street lighting, a median island, landscaping, and signal at the intersection of Rose and Laurel.

The curb, gutter and sidewalk are done and work has begun on the median island. Street lighting and landscaping, along with the two south lanes of roadway, will start in the coming weeks. That phase of work will continue over the next several weeks. Soon the signal poles will be installed for the new traffic signal at the intersection of Laurel and Rose, but they will not be operational until the end of the project.

The contractors working on Laurel east of

Laurel Road west of Rose Avenue is pictured above and Laurel east of Rose is pictured below as construction continues on pace to finish by the end of this summer.

Rose Avenue are constructing a four lane divided roadway with two lanes in each direction, street lighting, a median island, and landscaping.

The curb gutter and sidewalk are nearly complete along with paving of the outside lanes. Even though this is not the final paving, the traffic has an improved surface to drive on during the course of construction. The contractor has started construction on the inside travel lanes and the median island.

The widening and the installation of the signal at Rose Avenue will significantly enhance Laurel Road. Both projects are scheduled to be complete at the end of the summer. Laurel Road from Mellowood to Main Street will be completed next year.

2019 IS OAKLEY'S 20TH ANNIVERSARY!

Join us as we continue to celebrate the 20th Anniversary of Oakley becoming a City. The 20th Anniversary Ad Hoc Committee has events and activities planned throughout the year that help honor and celebrate our past while looking toward the future, including a special time capsule. Residents can also review the past twenty years as a digital timeline on our website at www.oakleyinfo.com.

Congrats to the Spanish Leadership Academy Grads

Congrats to the graduates of the 2019 City of Oakley Spanish Language Leadership Academy!

The Academy provides residents the opportunity to become familiar with City operations and processes. Each session included a presentation by bilingual City staff who explained a variety of functions of the City, including the Public Safety, Administrative Services, Community Development, and much more.

Graduates were encouraged to ask questions and discuss topics such as the allocation of public funds, Council decisions, upcoming capital projects, and the vision for the City.

“The Spanish Language Leadership Academy is a terrific chance for more Oakley citizens to see how our City works and to interact directly with staff,” said Mayor Claire Alaura. “You, Me, We, Oakley is a program that seeks to increase a spirit of mutual respect among all Oakley residents, increase civic participation, and create a more welcoming community here in Oakley.

You, Me, We, Oakley plans to host another Leadership Academy in Spanish in the future! Those interested should call (925) 625-7011 to be

Take a Survey on Oakley's Future

The City of Oakley has initiated a targeted update to its existing General Plan. The update is expected to take up to sixteen months to complete. The first step in the process will be to obtain input from the City Council, members of the public, and various other community stakeholders.

It should be noted that the update is not anticipating any changes to current land use designations.

The City, although not entirely built-out, has over 4,000 entitled homes yet to be constructed with many of the land use designations already in place. This targeted update will focus on the following three areas: Environmental Justice, Mobility, and Climate Change & Adaptation.

To give residents an opportunity share their thoughts and opinions on Oakley's future, a survey has been created and is accessible at www.surveymonkey.com/r/DSHPRSG through **Wednesday, July 31st**.

Planning Underway for Oakley's Largest Park

The City of Oakley is proud to announce the upcoming creation of a 55-acre park located ½-mile north of Cypress Road on Sellers Avenue and we are asking the public to help name this exciting new amenity!

It will be several years before the property is open to the public. Thanks to all who participated in the recent Engage in Oakley prompt asking for input regarding the park's name!

The project will be funded largely through various State and Federal grants and will be built in phases, so the conceptual plans will likely change depending on the requirements of those grants.

Programa de Mentoría con Oficiales

Esta primavera, 15 jóvenes se graduaron de un programa de mentoría patrocinado por el programa You, Me, We Oakley, la preparatoria Freedom High y el Departamento de Policía de la Ciudad de Oakley.

Los estudiantes pudieron aprender acerca de la recopilación de evidencia, participar en un simulador de fuerza que usan los oficiales en sus entrenamientos y acompañar al oficial en su turno de trabajo, entre más. En el transcurso del programa, los jóvenes y oficiales tuvieron la oportunidad de platicar de sus familias, intereses y aspiraciones. Los oficiales también, les inculcaron a los jóvenes la importancia de estudiar y no involucrarse en actividades criminales para tener más oportunidades en sus futuros.

“El programa ha permitido a los estudiantes de Freedom ver cómo funciona el departamento de policía y obtener experiencia de primera mano,” dijo el Oficial Casey Minister.

Con gusto reportamos que de los 15 participantes, 6 han reportado un interés en explorar la profesión de policía después de haber participado en este programa.

Taller de Ciudadanía

El programa de You, Me, We, Oakley va a patrocinar un Taller de Ciudadanía para el **sábado, 12 de Septiembre** en el Palacio Municipal de Oakley, para todos los que necesiten ayuda para empezar el proceso de ciudadanía. Llame al (925) 625-7011 para registrarse para asegurar que le puedan asistir y allí determinar su elegibilidad y recibir la ayuda con su aplicación de ciudadanía.

El consejo reconoció los oficiales y estudiantes que participaron en el programa de mentoría: Allyson Alvarado, Aracely Pech, Kevin Gonzalez, Giselle Doman-tay, Anita Oseguera, Elizabeth Gamboa, Daniel Romero, Diego Gonzalez, Colby Hunter, Kimberly Sepulveda, Maxwell Cordova, Kimberly Garcia, Miles William Carbaat, Lupita Lira, y Sean Donovan Carey.

Votar por Correo es Fácil

Las personas interesadas en registrarse para votar por correo ahora pueden enviar un mensaje de texto que diga "CoCoBallot" a 2Vote (28683) y seguir las indicaciones en el vínculo que recibirán de respuesta. Requiere ingresar el nombre del votante, fecha de nacimiento y dirección. Los residentes también pueden enviar un correo electrónico a Ballot@vote.cccounty.us, llamar a la oficina de elecciones al (925) 335-7800 o visitar la oficina en 555 Escobar Street en Martinez.

Ciudadanos Aprenden Sobre La Ciudad

Felicidades a los residentes que se graduaron de La Academia de Liderazgo: Armando Morales, Ana Logan, Marisol Maldonado, Ruben Ruiz, Marcela Ramirez, Maricela Ruvalcaba, Ana Maria Cerda, Maria Julieta Reynoso-Becerra, Elizabeth Bravo, Marcela Cardenas, Olivia Ginther, Mercedes Chairez-Lopez, Jorge Nunez, Ofelia Contreras, David Alvarado, Angelica Rondan, Araceli Gutierrez, Tita Lira, Alejandra Guzman, Nancy Miranda, Maria Fajardo Pascuala Vera, y Juan Carlos Alvarado.

La Academia de Liderazgo es un programa de educación gratuito con el fin de proveer a nuestros residentes la oportunidad de mejor entender las funciones de la ciudad, mientras desarrollamos el liderazgo cívico. Los residentes participaron en cinco clases donde también conocieron al personal de gestión de la ciudad.
