Human Resources for Business Owners

*Do you struggle with keeping up on the changing laws and
human resources demands for your business?*

*This course will take business owners through local and state laws regarding human
resources management. Business owners will learn how to develop plans to manage their own
workforce including: applications, payroll, state sick time laws, coaching plans,
professional development and more. This class is a must for any business owner with existing
employees as well as businesses that are looking to expand and hire new talent in the future!*

Class fee: \$20.00 • RSVP - (925) 625-7006
