Dear Candidate,

Thank you for supporting your community and making this commitment to the electoral process!

We recognize that you may have questions as you negotiate the process of running for office. We hope this handbook will help guide you and answer questions you may have about the process.

We regularly update this reference guide and have included changes affecting the November 8, 2022 General Election. While we make every effort to include as much information as possible, it is not intended to be an all-encompassing guide to running for office.

Our team is available to assist you with questions or information that may not be included in this guide, but note that we cannot provide legal advice or interpretations. For your own protection, we urge you to consult an attorney, if you have those types of questions.

You can reach our staff Monday through Friday, 8:00 am – 5:00 pm. Additional information is available on our website: www.cocovote.us; or the California Secretary of State's website: www.sos.ca.gov. For campaign finance-related questions and information, the California Fair Political Practices Commission website is: www.fppc.ca.gov.

Candidates for Federal offices should also check with the Federal Elections Commission, www.fec.gov. Municipal candidates should check with their local City Clerk's office for details not covered in this guide.

Thank you for stepping up and becoming involved! Regardless of the elected position, our democracy works best when more people participate.

Debi Cooper
County Clerk-Recorder
and Registrar of Voters

If rejected, the candidate will be notified by phone or by email to the phone or email address appearing on the candidate's ballot designation worksheet. The candidate statement is incorporated into the Voter Information Guide, and will be mailed to all registered voters eligible to vote for that particular office. The candidate statement is printed in English, Spanish, and Chinese.

For guidelines, see Attachment C.

Election Code 13307

In addition to submitting a hard copy, the statement must be emailed in an editable text format to the following address: cfile@vote.cccounty.us.

Election Code intends for uniformity and appearance of the candidate statements. Please note the following limitations.

If a candidate is filing for an office where the district extends into another county and the candidate wishes to have their candidate statement printed in that county, the candidate must contact the appropriate county for payment and publication of the candidate statement.

Public Review Period

After the close of the filing period, anyone may examine candidate statements. During a 10-calendar day period, commencing the day after the close of the filing period, any voter of the jurisdiction in which the election is being held or the county elections official may seek a writ of mandate or an injunction challenging any or all of the material in a candidate statement.

Election Code 13313, 13314

No challenges may be submitted to or will be considered by the Elections Division or Registrar.

Statement of Economic Interests (Form 700)

Every candidate is required to file a "Statement of Economic Interests" (Form 700) disclosing certain financial interests.

A new Form 700 is not required if the candidate has filed a statement for the same jurisdiction within 60 days prior to the filing of his/her "Declaration of Candidacy".

Government Code 87202, 87203

The Elections Division has been designated by the Registrar as the filing official for "Statements of Economic Interests" in conjunction with candidacy for elective offices only.

Government Code 87200

Campaign Finance Disclosure

All state and local candidates, their committees, and committees supporting or opposing ballot measures are required to report campaign contributions and expenditures.

When a candidate receives nomination papers, he/she will receive an informational overview of all filing responsibilities including electronic filing of all campaign disclosures.

As of August 2016, Contra Costa County Ordinance 530-2.808 requires all campaign disclosure reports and documents mandated by the California Political Reform Act to be filed electronically.

Candidates should familiarize themselves thoroughly with the information provided by the FPPC and carefully note the filing deadlines, as the Act imposes penalties for late filing of campaign statements. Information and requirements can be found at www.fppc.ca.gov.

For a brief summary of the most commonly used forms, see Attachment E.

Government Code 85201

Code of Fair Campaign Practices

By subscribing to the Code of Fair Campaign Practices, a candidate vows to follow the principles of decency, honesty, and fair play. Subscription to the Code is optional. Completed forms are to be filed with the Elections Division, and shall be retained for public inspection until 30 days after the election.

Election Code 20400, 20420, 20440-20444

WRITE-IN CANDIDATES

A person interested in running as a write-in candidate may file for office between September 12 and October 25, 2022. There is no fee or charge required of a write-in candidate, except in the case of some city offices.

Any person who desires to be a write-in candidate, and have any votes cast for him/her reported, shall file a "Statement of Write-In Candidacy".

Election Code 8605

Cities, East Bay Regional Park District, East Bay Municipal Utility District, and Alameda-Contra Costa Transit District require nomination signatures to be collected for a valid write-in candidacy. Signers of nomination papers for write-in candidates shall be voters in the political subdivision in which the candidate is to be voted on. See pages 3-5 for the required number of nomination signatures.

Write-in candidates must file the same forms required of other candidates, who have filed during the regular filing period. The candidate statement form or ballot designation form does not apply to write-in candidates and write-in candidates may not submit a candidate statement.

Only votes cast for qualified write-in candidates are reported.

COMMON QUESTIONS AND SITUATIONS

Filing Nomination Papers on Behalf of a Candidate

If a candidate is unable to pick up their Candidate Application Packet in person, he/she may designate a person to act on his/her behalf. A written statement or “Authorization Form”, signed and dated by the candidate, authorizing a person to receive the “Declaration of Candidacy” form and all other nomination papers from the Elections Division is required. See Attachment D for a sample of the “Authorization Form”. If the candidate will not be filing in person, the “Declaration of Candidacy” must be notarized before filing. Because an original signature is required, nomination documents may not be filed by fax or email. The candidate’s designee may only receive and deliver papers and may not make any changes on the nomination documents.

Election Code 8028

Appearance of Names on the Ballot

A randomized alphabet drawing is the basis for determining the order of candidates on the ballot. Each candidate will be placed on the ballot in the order that each of the letters of his/her surname was drawn. For example, the placement of candidates with the surnames of Miller and Ramos will depend on the order in which the letters M and R were drawn.

Candidate name order may also be affected by a rotation schedule as prescribed by Election Code.

Election Code 13111

Six calendar days after the end of the filing period, the Secretary of State conducts a drawing of the letters. For the November 2022 Election, the drawing will be conducted on August 18, 2022.

Election Code 13112

Appointments In-Lieu of an Election

Special Districts

If the number of candidates is equal to or less than the number of vacancies to be filled within the particular district, the office does not appear on the ballot. The Board of Supervisors appoints the unopposed candidates. Appointees by the Board of Supervisors take office and serve exactly as if elected at the General Election.

Election Code 10515

School Districts

If the number of candidates is equal to or less than the number of offices to be filled within a particular district, an election will not be held and the qualified candidates shall be seated at the organizational meeting of the school district governing board.

Education Code 5326

Candidates Elected at General Election

The candidate(s) for a school district, special district or city office that receive(s) the highest number of votes from all votes cast for candidates for that office shall be elected to that office.

Election Code 10551, 10600

Election Night Results

Election results are available on our website at www.cocovote.us beginning at 8:00 pm on Election Night. Results will be updated periodically, until all in-person Election Day ballots are counted. Candidates and/or members of their campaigns are welcome to observe the Election Night processes. Observer guidelines will be issued upon arrival.

Final Official Results

Beginning the day after the election, a complete audit of all returns is performed. Any uncounted Vote by Mail ballots are processed and counted. Additionally, provisional ballots are processed and counted.

Election code requires the election to be certified by 30 days following the election.

Holding or Running For More Than One Office

Candidates are not prohibited from seeking more than one elective office, and may serve in more than one office. There are, however, situations when holding more than one office is considered a conflict and incompatible.

There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices prevents an elected official from holding two offices simultaneously if the offices have overlapping and conflicting public duties.

The courts have defined this concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.”

Government Code 1099

For further information about conflict of interest or incompatibility of offices, review the Fair Political Practices Commission’s website at www.fppc.ca.gov or phone toll free (866) 275-3772.

COUNTY POLITICAL SIGN GUIDELINES

The Elections Division does not enforce the usage of political signs. The placement of political signs is subject to local regulation.

Contra Costa County Sign Regulations

With the exception of signs located on legal commercial outdoor advertising structures, all political signs placed in areas under the jurisdiction of the Contra Costa County Community Development Department are regulated by Contra Costa County Ordinance Code Title 8, Division 88, Chapter 88-6, as follows:

Political Campaign Advertising

Political signs may be erected or displayed before an election *until ten days after the election* inclusive. These signs may not be erected in the right-of-way of any state highway, county highway, or public road or street.

Article 88-6 Section 88-6.810

Signs on Utility Poles

No person shall post, place, attach, erect, or maintain any sign, poster, advertisement, or any material or object of any kind on a pole, post, wire, or structure maintained under a franchise by a public utility or public service corporation in the right-of-way of any county or public highway.

Article 88-6.8 Section 88.6.812

Signs at Intersections

No outdoor advertising structure, except Type IV signs, shall be erected or maintained in such a location or position that operators of motor vehicles who are within one hundred feet of the intersection of any public road with any other public road or any railroad will not have a clear and unobstructed view of the intersection and of any traffic on all of the roads or railroads entering the intersection for a distance of one hundred feet along all the roads or railroads. If the sight distance at the intersection is already obstructed by building, structure, vegetation or topography, then the outdoor advertising structures may be located within one hundred feet of the intersection, so long as they do not constitute additional obstruction of sight distances.

Article 88-6.8 Section 88.6.618

If a candidate chooses to post campaign signs, a completed "Statement of Responsibility for Temporary Political Signs" form must be filed with the Department of Transportation.

I am running for the governing board of the Washington Unified School District because I feel I can bring a balance to the board. I attended local schools, graduating from Washington High School in 1985. I am married and currently have two children attending school in the district.

I own and operate my own business, so I am well aware of resources and educational materials I am convinced we can offer quality education to all students within the district. I fully understand the value of a public education. As your next school board member, I will work to small class sizes and better learning environments for our students. I will also ensure that we create a safer learning environment to achieve these goals.
